

## Paul's Pantry's Hunt for the Hungry and Wisconsin Deer Donation

### How to Donate Your Deer **AT NO COST TO YOU!**

- 1.) Use a legal buck or doe deer registration number for the purpose of donating the deer to our program. **DONATE THE DEER YOU DON'T NEED, FILL UNUSED TAGS.**
- 2.) The donated deer must be properly field dressed, cleaned, and registered before we can accept the deer as a donation to the program. Handle the deer as if you are going to provide it for your own family. No deer can be accepted that does not have a registration confirmation number.  
  
If the temperature is above 40 degrees at the time you harvest the deer you plan to donate, please put two bags of ice in "each" deer carcass, one in the chest cavity and another between the hind quarters. This will help preserve the venison until you can drop it off.
- 3.) Drop the field dressed deer off with or without hide, at Paul's Pantry **LOCATED AT 1520 Leo Frigo Way in Green Bay or at Meatski's, W11124 WI-64, Pound, WI.** Please call ahead. Paul's Pantry at 920-433-0343 or 920-604-0787. Meatski's 920-897-3392
- 4.) Put your name and registration number on the donation log form.
- 5.) There is **NO COST** in making your donation. **WE THANK YOU!**
- 6.) If you have frozen packaged wild game from previous hunts, we will accept that meat in good condition, all year long. The meat must be frozen and in good shape. Paul's Pantry in Green Bay is the drop off site for any packaged wild game meat including venison.
- 7.) Tell others of this great opportunity to help those in our community that are less fortunate. Encourage other deer hunters to become fellow **FOOD PROVIDERS FOR THOSE IN NEED!**

**PLEASE USE YOUR EXTRA TAGS AND DONATE! THERE IS NO COST TO YOU!!**
