

July 19, 2022

Dear patients,

While I have thoroughly enjoyed working at The Bridge Medical Clinic, I will no longer be able to see new patients or accept new referrals as of [September 1](#), 2022. In order to maintain continuity, I will continue to see follow-ups for patients that I have previously seen until [December 31](#), 2022 after which time I will close my practice at this location. I will continue to work in my family practice in Comox and will continue to accept prenatal self-referrals and prenatal physician referrals there.

For patients seeking consultation for women's health concerns, care can be sought through their family physician, Dr. Sarah Olson's Women's Clinic in Courtenay (phone number: 250-871-7373), Options for Sexual Health In Courtenay (961 England Ave, Courtenay, BC V9N 2N7) or a walk-in clinic if they are not attached to a family physician. For patients that are under the age of 25, care can additionally be sought at The Foundry in Courtenay (575 10th St, Courtenay, BC V9N 1P9) or Campbell River (140 10 Ave, Campbell River, BC V9W 4E3).

It has been a privilege to get to know you over the last few years and be a part of your lives during both exciting and vulnerable times. I wish everyone the best with their health moving forward.

Sincerely,

Dr. Lauren Baerg, MD, CCFP
