

KVOHA 2023 – 2024 SEASON

Greetings returning KVOHA league members and welcome to anybody interested in joining our league. The 2023-2024 season will arrive shortly. The KVOHA hockey league has been around for over 40 years now, our goal remains to balance the league competitively, maintain discipline, make friends, network, get a little exercise, and most of all have fun. We're far from perfect, but it's pretty good.

We have reserved ice time with Lawson and referees for this season with the schedule this year being (3) - games each on Sunday and Tuesday nights. The overall cost to play this year will be dependent on the number of registered players and number games we play. With that being said the total cost for the year has yet to be determined, however we would estimate the cost at \$680.00 for the season.

As was the case the last couple of years, returning players should be aware, our preference is to have as many full time skaters as possible. Part time positions will no doubt continue to cause issues and create difficulties trying to balance teams, not to mention keeping teams at the same competitive level for Sunday & Tuesday games due to being able to have equal matching skill sets between the split players. Player Priority will continue to be as it was in years past; returning full time players, returning part time players as needed by ratings, new full-time players, and new part time players. With that said our league has received several inquiries the last few years from new potential players wanting to join the league, so it is imperative to complete and send in your league registration as soon as possible to help determine the number of teams, players, games, request referees, etc. League fee payment information will be as follows:

- A Full Payment of **\$680.00** or a Registration Payment of **\$350.00** & (2) Partial Payments of **\$165.00** per important dates below. As noted below, please make your registration payment by October 1st.
- Goalies will play for free, with only your commitment to the league.
- SUB FEE: \$12.00/Game. (Subs need to be registered to play & registration is open all season long)

Following is a link to the online registration form for the 2023-2024 Over-30 Hockey League.

[23-24 Registration Form](#)

Note: New players only should fill in the self-evaluation with the registration form.

Please read the registration carefully and if you agree to abide by it and the rules and regulations of this league, please fill in your information required, and submit it as **soon as possible**

This year we plan to have an approximate 36 game regular season along with a single elimination end of season playoff. The regular season games will be played on Sunday's (3 games - game times at 7:00, 8:15, & 9:30 pm), Tuesday's (3 games - game times at 7:00, 8:15, & 9:30 pm.) All games are at Lawson Ice Arena. The first half schedule will be available online on the KVOHA website; www.KVOHA.org and be distributed in October at the first game. The 2nd half schedule will be distributed in late December.

The above format is contingent on how many players sign up and how many goalies commit.

Notes: As usual we will be accepting payments by personal check and credit/debit card thru Paypal. Check the website, www.kvoha.org for details. **Other payment options may be available.**
