TOTALLY AWESOME EDUCATORS FOR CHILDREN EVERYWHERE

Mentorship Pilot Program For TAECE members only

The Tidewater Association for Early Childhood Education (TAECE) is excited to announce that we are piloting a mentorship program between member teachers and centers who serve young children. We will pair a teacher from a highly accredited center in Tidewater who specializes in the area in which you want to further excel. TAECE will pay for the substitute teachers to help you meet at your facilities and help each other grow in the process. As early childhood educators we all have gifts that can help each other better serve our children and their families. Let's work together to serve our community!
