

# Vocabulary Words

## Chapter 5 6

Acid Rain

Age Structure

Aquaculture

Biodiversity

Biological Magnification

Carrying Capacity

Deforestation

Demographic Transition

Demography

Density-Dependant Limiting Factor

Density-Independent Limiting Factor

Desertification

Ecological Footprint

Ecological Hotspot

Ecosystem Diversity

Emigration

Exponential Growth

Genetic Diversity

Global Warming

Habitat Fragmentation

Immigration

# Vocabulary Words

Chapter 5 6

Limiting Factor

Logistic Growth

Monoculture

Nonrenewable Resource

Pollutant

Population Density

Renewable Resource

Smog

Species Diversity

Sustainable Development
