Supernatural Kingdom Ministry is a prophetic and deliverance ministry led entirely led by the Holy Spirit.

We are living in perilous and drastic times. People need to have their spiritual, emotional and physical needs met. 2nd Timothy 3:1 helps put this in better perspective, "but know this, that in the last days perilous times will come". More and more children are being raised in broken homes, unemployment is on the rise and persons are sinking deeper into dept like never before. With your generous donation to fund the building for our church we will be able to aid in many ways to assist the community in issues that are very prevalent today.

The Building Will Benefit The Church And Wider Community In The Following Ways:

1. We shall use it as a sanctuary and a meeting place for daily services, conferences, Bible study, mentorship, weddings, community meetings, discipleship, preaching, teaching, deliverance and healing sessions, Bible school and the community can seek to use it for social and other functions that give honor to God.
2. The church will use this building to continue to run its popular catering training services that will be employing youth from the community. This provides a venue to teach young people marketable skills through hands-on training and provides a safe place to hang out instead of on the streets.
3. This state-of-the-art auditorium will offer an ideal location for youth events, concerts and business training seminars. The classrooms and training rooms also provide space for community meetings throughout the week.
4. It will be a home for many unemployed Barbados residents who struggle to find steady, marketable work, and very few safe places remain in the city for young people to hang out. It will be open to the needs of the people in the community.
5. Small groups would be implemented to perform outreach services which would be spread beyond the walls of the church to target the youths. This would be vital in getting the youths off the block and providing meaningful programs/workshops where they can learn various skills which would enhance their sense of belonging and connectedness in society.
6. A successful way to meet the physical needs of persons was demonstrated by our Lord Jesus Christ when he fed the 4,000 in Mark 8: 1-9. With our new building we will be able to offer meals to a wider spectrum of persons, not only to the members but also to those homeless persons.
7. With unemployment on the rise we will also be able to provide jobs to those persons in need of employment, which would in turn assist them in providing for their families and with their day-to-day needs.

8. We want to also have a preschool available. When parents enrol their children in preschool it gives them a chance to learn and develop both academic skills, discipline and social skills. As it says in Proverbs 22:6 "Train up a child in the way he should go, and he will not depart from it". It's important to provide children with a well-rounded Christian education that prepares them for the world, teaches them integrity and maintains family values.
9. We would also like to offer counselling sessions to those persons who have either been abused sexually, verbally, physically and or psychologically, persons with a particular condition (e.g. depression, anxiety, eating disorders.etc) by which the person is affected. Through counselling persons gain the ability to change self defeating behaviours/habits, better expression and management of emotions, improved communication skills and interpersonal skills and greater acceptance and self esteem.
10. Deliverance and Healing. Supernatural Kingdom Ministry is a prophetic and deliverance ministry, where persons are freed from oppression, possession, obsession, such as: chains of darkness, curses, evil altars, evil covenants, witchcraft, evil yokes, heavy burdens and spells. Our ministry also provides healing for those persons who have been suffering from any form of illness/infirmity. In Isaiah 53:5 "the chastisement of our peace was upon him; and with his stripes we are healed. We believe that each person can live a life Jesus wants us to live free from illness/infirmity and bondage and with a new building and bigger space we will be able to offer help more persons.
11. Prophetic School. The school would be offered to any Christian man or woman who is seeking biblical understanding and perspective on the place of prophetic gifts. Persons will discover scriptural answers to questions about the prophetic call, life and ministry. Each person would be adequately taught about the principles of the prophetic calling, moulded in the process and given the opportunity to practice ministry according to the Word of God and in the power and leadership of the Holy Spirit.
12. Mentorship. Every believer needs a spiritual mentor. Spiritual mentors help others develop a solid pattern of spiritual discipline in their lives which helps deepens their personal relationship with God, determine their spiritual gifts and prepare them to become most usable for the Kingdom. This would include bible study, training in Christian disciplines and prayer meetings. The bible is clear that we will experience trials in our lives, we don't know when or their duration but having a mentor there to encourage, to provide counsel and teach them God's ways in difficult times helps persons tremendously to keep pressing forward in the faith.

Here at Supernatural Kingdom Ministries we believe that our church should be involved in every facet of a person's life and meeting each need. Our aim as a ministry is to enhance the Kingdom Of God. With your generous donation in funding this building, we will be more than equipped to pursue and achieve our goals as a ministry.

Supernatural Kingdom Ministries once again thank you for your generosity in giving to the work of God. This facility that God has given us will only be used for activities that give glory and honour to God. We are a supernaturally thinking young energetic ministry that believes that all things are possible with God. We profoundly believe in miracles, signs and wonders and that Jesus is greatly at work in the earth through the Holy Spirit. We are at the same time immersed in the present day revelation of God that unfolds Himself on those He has chosen and consecrated to work with Him in ministry. Therefore with your help this work will be completed soon in Jesus Mighty Name.

Thanksgiving and Prayer

3I thank my God every time I remember you. 4In all my prayers for all of you, I always pray with joy 5because of your partnership in the gospel from the first day until now, 6being confident of this, that he who began a good work in you will carry it on to completion until the day of Christ Jesus. (Philippians 1:3-6)

May God richly Bless you.
