

SAN JOAQUIN VALLEY RANGERS NEWSLETTER

VICE PRESIDENT'S MESSAGE

Well spring has quickly changed to summer. The good weather has brought some great barrel racing and fantastic gymkhanas. Our Junior judge, junior being his first time as judge not age related (LOL) has been doing a great job. We have seen a lot of new faces as well as returning riders. The ground has been awesome, thanks to Jody, Bob & David for their help. This is a thankless job that goes unnoticed. Usually beginning a day or two before an event happens. The wash rack has seen much use. If we forget to put out the hoses don't be afraid to ask where they are. Lastly, we are a club of volunteers, we can always use help. If you see something unsafe or needing to be done. Please offer to help or at least let someone know so these things can be addressed.

OUR MISSION STATEMENT:

To promote all horsemanship, to sponsor horse shows, rodeos, race meets, and/or a combination of these entertainments. To promote club organized events.

To participate in activities pertaining to the welfare of the community.

Venmo – When paying for things at the club please do not use emojis. When we download the statement, it comes over as gibberish. It's very helpful to list what it is for, i.e., event and rider, or kitchen. If it is for use of the clubhouse put clubhouse and date. If it is for gymkhana, please list rider(s) name(s). This helps us to reconcile our financials. Please never turn on purchases because Venmo will deduct a percentage. Thank you for helping us do our part better.

At our last show we had some miscommunication on our part. Our goal is to have a safe, fun, friendly and accommodating environment. We try to make sign-ups easy for everyone and that is one reason why we use Venmo. We understand that not everyone uses Venmo, so if you want to be in the pre-draw, you can text your entry and pay at the race.

Just to be clear, if you text entry and don't show up, you will lose the option to pre-enter without paying in future races. Venmo is preferred because it helps streamline the process and make it the easiest for our volunteers. If you have special considerations, please let us know that also, for example split multiple horses as far as possible, need early draw, need early in late draw, etc. Please keep in mind that we are a club of volunteers so be patient and respectful and we will do the same.

If you have any questions or concerns please reach out to a member of the SJVR4D team.

Our June races have gone great with each race having more riders and amazing feedback. We have also had great turn outs with great help from our juniors. Jeanne has been giving the barrel setters an extra treat for help.

For safety reasons, we need to keep all dogs on leash when at the club. We would like everyone to clean up after their furry friends. As we all know there are homeless people that live on the levee and have dogs that roam free. So as a member of the club, please help with cleaning up, not only dog feces, but trash also. This is what being a part of a non-profit organization, made up of strictly volunteers, is all about.

At our last gymkhana we had a rider lose a stirrup in the arena. Unfortunately, our judge, our gate person and announcer, who are all volunteers, didn't see it. This is where everyone can step in and help us keep our club safe. Please get the judges or gate persons attention to get debris from the arena before we continue.

Lastly, we really need help in the arena to put up and take down obstacles and work the gate or gates as the case may be.
