Come out to our Rib Dinner on
September 16th

No host cocktails starting at 5pm and dinner at 6pm.
This is a fundraiser dinner for SJVR!
Raffle Prize Donations needed.

Please slow down!

We are having trucks and trailer rigs pulling too fast.
We have kids running around, horses tied to rails, trailers and being tacked up.
To help keep everyone safe when driving at the SJVR please slow down!
SJVR prides themselves on being a family friendly atmosphere
and the safety of our riders and horses is of utmost importance.

Venmo

When paying for things at the club please do not use emojis.
When we download the statement, it comes over as gibberish.
It's very helpful to list what it is for, i.e., event and rider, or kitchen.
If it is for use of the clubhouse put clubhouse and date.
If it is for gymkhana, please list rider(s) name(s). This helps us to
reconcile our financials. Please never turn on purchases because
Venmo will deduct a percentage. Thank you for helping us do our part better.

Volunteers

So I am sure you all have heard this before...this club
is run off volunteers. They deliver in all weather-
fortunately we don't have to deal with snow! But the recent
heat has given them hero status. The more of us that
step up the lighter the load. Here are a few pictures
of our behind the scenes volunteers getting it done.

Logistics Engineering, Inc specializes in designing and engineering new office spaces, production facilities, commercial warehousing and distribution centers. Their project management services include space planning, interior building design, demo, construction, procurement and equipment installation.

The team's next competitions are scheduled:

August 5 & 6 in Corning, CA

August 19 in Ceres, CA

From June 28 til July 4th, Spurs N' Lace hosted a TNT Fireworks Booth at the Raley's in Morada. The team worked long hours in the hot sun setting up the inventory each morning, helping customers and giving horseback rides all day, and packing up inventory each night.

The impact of the fireworks booth extends far beyond the income. The team was able to provide fireworks for 772 families and introduce so many kids (and adults) to horses for the first time. Our youngest patron was a mere 3 months old and our oldest was the sweetest 87 year old lady who was able to mark horseback riding off her bucket list.

MEET YOUR ROYALTY

Hailey Petersen 2023-2024 Jr. Queen

Hailey is 13 years old and began riding a few year ago with the intentions of just one trail ride. That quickly turned into another, then gymkhana, barrel races, and drill team. Two of Hailey's mares had foals this year and she is now learning more about breeding, foal handling, and training. With each new adventure she has grown her skills, knowledge, and confidence. Hailey is very excited for the upcoming drill competitions and to continue to serve as your Jr. Queen.
