

SAN JOAQUIN VALLEY RANGERS NEWSLETTER

PRESIDENT'S MESSAGE

May finally was good to us and we were able to start our arena activities. Our club is run with volunteers. We can always use help, a great way to give back to your club. Snack bar is open, but in need of help. If you can offer some of your time, stop by. Always need juniors to help set barrels. Gate helpers, setting up knocked over poles and barrels and changing courses all take volunteers. Help out and the snack bar will take care of your lunch and drinks. Win Win!

2024 also is SJVR's election year. Positions on the board are open and we need to nominate in October and November. If you think you would like to help and get involved come to our meetings or let a current board member know you are interested.

We need help to keep this place running for everyone's enjoyment!

OUR MISSION STATEMENT:

To promote all horsemanship, to sponsor horse shows, rodeos, race meets, and/or a combination of these entertainments. To promote club organized events.

Kitchen is in need of help this year to stay open for all our events. Some of our volunteers are now riding in our events and that leaves the kitchen short handed. We try to be open for all gymkhanas and barrel races. If you can spare an hour or two especially during lunch time it would be welcomed! No experience necessary. If you enjoy our snack bar, help us out keeping it open!

Mounted Shooting Practice

June 16th

9am-1pm

SJVR Arena

Guns, cowgirls, cowboys and horses it doesn't get more exciting than that!

Mounted Shooting is a fast growing sport that appeals to many riders.

Like any new discipline, it's important you take the time to properly learn the ins and outs. Mounted shooting has loud sounds and popping balloons, so your horse will definitely need some training before you jump in.

Training a Horse for Mounted Shooting

How do they handle the environment?

A good mounted shooting horse needs to be okay with loud sounds.

You'll want to get a feel for this before you start a run.

Try a dry run.

Trot your horse through the pattern and shoot the gun, but without any bullets. It'll give you both an idea of what to expect.

Follow a trained horse.

Go slow at a trot and follow behind a seasoned horse as the rider shots and pops balloons.

Then, shoot with a seasoned horse nearby.

Now's your turn, but make sure to have a pro next to you for support.
