

Memberships/Donations/Memorials

The Nebraska Czechs of Lincoln is a 501(c) 3 non-profit organization. To date, the organization's success has depended solely on membership dues, food sales from the annual festival, donations and memorial contributions.

We are looking to continue our success in asking for monthly/annual sustaining gifts or one-time cash or memorial contributions from those individuals, families, businesses, and organizations interested in helping to preserve the rich heritage of Czechs/Slovaks in the Lincoln area for future generations.

You are cordially invited to help support the Nebraska Czechs of Lincoln by your generous donations in signing up as a member or by providing monthly/annual sustaining gifts or by one-time cash contributions and memorials. Memorials are a great way to honor those whose Czech heritage means so much.

Non-monetary donation support for Nebraska Czechs of Lincoln may also be made by donating giftable or resaleable items, artifacts, documents, books, photographs, family histories, and/or in-kind services. We love sharing your family's history and know first-hand how special personal items can be!
