Alphonse Mucha - Masterworks

Even though Beverly (Genrich) Vonásek has German roots, she has willingly come over to the “Czech Side” having been married to her Czech husband (Maurice) for 50 years as of last Dec.1st.

Beverly was born and raised in Beatrice, Nebraska. She is now retired having been a civil servant with the State of Nebraska for 48 years. She was previously Railroad Liaison Manager at Nebraska Department of Transportation. She now enjoys reading, travel and spending time with family consisting of husband, Maurice, two sons Aric & Justin and three grandchildren and a Welsh Pembroke Corgi (Bella) just to keep things even more interesting.

In September of 2022, Beverly and her husband were fortunate enough to visit the Czech Republic & Germany to seek out their ancestral roots and visit ancestral villages/homes. As part of their almost a month tour, they were able to see the ‘Slav Epic’ paintings in-person and other works by Alphonse Mucha. Such a lasting impression was made and Beverly would like to share in her presentation with our members...‘Alphonse Mucha – His Life and His Art’.
