OUR SWIFT PROGRAMME :

FIGHTING FOR SWIFTS' PROTECTION IN THEIR OVERWINTERING QUARTERS

July 2017:

Training in Windsor, with other R&S youth leaders from around the globe, in the presence and with the support of Dr Jane Goodall.

Since August 2017, R&S Tanzania has been working together with Swift Without Frontiers to promote education, awareness-raising and active participation of young people.

Publications used to present this wonderful bird to young Tanzanians.

Using “The Swift Mascot” ...

Impact of this educational and awareness-raising campaign:
3446 R&S members (1913 males, 1533 female), 39 schools in
19 villages. First around Kigoma, now also in Dar Es Salam.

...with the enthusiastic support of
Dr Jane Goodall herself!
