Welcome to the Melodic Melodies Experience

Hello Students Melodic Melodies Approach

Excitement is always in the air when someone begins a new task or resumes a prior activity. I look forward to starting or continuing the instruction of music for you this year. Please be consistent in your attendance and follow-through in your homework assignments. We will move through the lesson books at a pace that reflects the progress of the student. It is important that you bring your book to every lesson.

If you are a new student, I will supply your initial music and assignment book. Returning students must purchase their other books.

Lessons will begin in October, 2022

Inclement Weather Policy

Whenever schools are closed or dismissed early by Harford County Public schools, lessons are canceled.

Music Contract

- Lessons are scheduled for 30-45 minutes each week depending on the age and maturity of the student.
- Homework assignments are expected to be completed and reviewed at each lesson.
- Students are expected to practice daily for at least 15 minutes each day. It is always apparent when a student has not practiced.
- The instructor will notify you by text, email or phone call if there is a need to reschedule a lesson
- Covid protocols- Please do not attend your lesson if you are ill. Unvaccinated students must wear a mask. The piano and lesson area will be thoroughly cleaned in between each lesson. An air purifier system will be on throughout your lesson.
- There will be a winter break of three weeks and lessons are finished at the end of the school year.
- A music recital is scheduled for June, 2023 for all students.
- The instructor will seek out other opportunities for student performances during the year.
