

At the end of each school year, the Shannon Foundation asks each of its current grant recipients to submit a short report to the Foundation. We are particularly interested in discovering whether the funds we provided to each teacher made an appreciable difference in the quality of students' learning.

Please answer briefly the questions below as they relate to your funded project. Please make additional comments as needed to clarify or expand upon your or your students' experiences while participating in the project. You are welcome to attach additional information.
