

ADORE SEPTEMBER TESTIMONIES OF THANKS

I was deeply moved and touched by Mass and Adoration, then Praise and Worship. I felt as if God reached my heart and soul and I cried a lot!

The Mass was beautiful and Adoration. I really like the way the homily was delivered. Father sat down and shared with us like a friend, like Jesus would.

The readings of today and Gina's witness was a true blessing.

God has certainly been healing my heart

It was good to connect with people and learn more about healing.

We are all witnesses and as was mentioned we share different charisms - we are church and meant to be a sharing community.

Teaching is enhanced by witness testimony.

As Jesus is present both in the Holy Mass and Adoration in body, soul and divinity it is a privilege to be in His Holy presence and His Blessings and Graces remained with me throughout the retreat subsequently. It was extra special.

Prophetic words I find amazing and always like to learn more. The testimonies made me realise God is everywhere and it's profound to be aware of this. We all need to be nourished with retreats and through personal and public prayer. A very touching retreat.

It was truly a blessing to join you all on Saturday. I will look forward to joining again. God bless you all. Peace be with you

Thank you all for the prayer and healing! Deo Gratias With blessings

I got a lot out of yesterday's online meeting! Thank you so much. I received some healing prayer ministry over the telephone following the meeting. Many thanks. God bless you.

Builds up my faith and encourages me.

The presentation was very good

All blessed as always

Praise and reverent worship, teaching and testimony.

It's great to hear others talking about their faith and experiences so I enjoy the groups usually and the testimony. It increases my confidence in my faith experience.

I did find it refreshing to hear about healing of the memories and also touching on healing the family tree.

Grateful to have the opportunity to be reminded how blessed I am

Geoff & Gina's talk was amazing & inspiring. Another well planned morning

Everything really but the talk probably this time as so natural

The talk and breakout room discussion were extremely helpful. The talk was very insightful and Gina made several references to scripture, which resonated with me and inspired me to find these passages myself using my Bible and read around the theme of faith. I am sure that I would have found the Mass, Adoration and Prophetic sharing very helpful too.

ADORE SEPTEMBER TESTIMONIES OF THANKS

Michal's testimony reduced me to tears. Fantastic and so honest.

Joined 11am. Instantly felt strong presence of Holy Spirit, overwhelmed by God's love, healing of anxiety, loss of confidence & self-worth, mostly caused by covid era. Broke down in tears.

My faith journey has favoured solitude for quite a while. Although regular private prayers and bible studies have sustained my faith, I'd forgotten about the people, and when the Holy Spirit was evoked by you all, all the love came flooding back and overwhelmed me

Prayer requests being shared - and everything which I missed but will try to catch up with if possible.

Liturgy well celebrated by Fr Mark. Adoration was so peaceful and life giving

The testimonies encouraged me and the healing of my neck pain was almost complete! Praise God! Youtube Mass was wonderful: I 'went' to the same church during lockdown.

Clear, precise and easy to absorb

Everything I was able to experience was MOST helpful.

Retreat was very well put together with a lot of thought and planning put into it. Personally the time span was perfect as it was intense and made me concentrate as I knew it was short so it could not be any more helpful. Perfect. Music and song in praise wonderful.

I love it all. You have an excellent format

I think there is a good mixture to feed our Spiritual Prayer and Praise

Adore online turned out to be literally a God send.

There is so much that is right.

Thankyou to the ladies in the breakout room for the warm welcome.

Thank you for organising this.

As Churches are opening up I sincerely hope online retreats continue. It's wonderful to be able to tune in from home as with all our busy life's we may not be able to attend in person.

Very many thanks to all the team for these wonderful sessions and may God bless you in your ministry.

As always really enjoyed the event, thank you.

Just keep going please.

I am finding these virtual Prayer and Praise sessions so lively since we haven't had our physical ones at Church. Thank you so much

One of your praying teams had telephoned me and prayed for me back in the summer - thank God; thank ADORE.

Thank you all for that you do.

I got a lot out of the talk and breakout room discussion. Thank you so much. God bless you all.

Thankyou for a lovely time. God bless all.

Thank you for this meeting and all the gifts it brings with it.

Thank you, Geoff and Gina.

When Geoff & Gina put up the image of Christ on screen after their amazing talk, I had an image of my heart with a line across cutting it in half, but this line gradually disappeared making my heart feel whole again. Amen!
