Thank you for a wonderful Spirit filled morning, for the inspiration and encouragement and especially to pray for our young people. Jesus says Come to me you Blessed of My Father.

Thank you so much for the beautiful praise and worship

The talk gives food for thought. Adoration brings me closer to God. Praise and worship is joyful.

Mass was very reverent

The way the day is organised

The prophetic words were really inspiring and encouraging and the talk very powerful and inspiring.

I love Alastair's leadership over all and singing

It's wonderful to break away from worldly responsibilities as much as possible and be immersed in prayer, in the presence of God, and for the sharing time in the chat room.

Ros inspiring as always and whole meeting most prayerful

Today was very inspiring on many levels.

I really appreciate space and quiet in worship. The worship songs were well chosen

This prayer group is wonderful. My second time attending and today once again was so fulfilling. You are an amazing Charismatic prayer group bringing Jesus into our homes. I felt enriched with beautiful Holy Mass, an amazing Priest who I could see the love of Christ in. Your worship music is adorable and testimonies and prophecies bringing us right close to God and the Holy Trinity. Loved it all.

I loved the Mass. The simplicity and the slowness with which it was spoken enabled me to reflect. Pat's testimony was a revelation

It's very inspiring to listen to the Holy Spirit speaking through enthusiastic witnesses - more so when it is founded on scripture and bears witness to faith being put into practice,

A very blessed meeting. The Holy spirit present in all the talks

The whole meeting is very helpful.

The phone ministry was so moving. It was so amazing to receive such compassion and kindness and I know God spoke to me through the words that were shared with me.

It was a good online event, I was interested in this specific topic

They all add to my Spirituality and are quite profound.

The Healing ministry is good

All good!

I was almost bowled over by Ros and then thought This is the Holy Spirit.

Perfect as it is - keep up the good work

Keep doing what you are doing. Why would you want to change anything??

I think it is SO well thought out already - Congratulations.

Continue the sharing of Information Insight and Knowledge

Just find the whole experience uplifting

I found this last meeting very encouraging in my faith and the talk by Ros inspirational.

Overall the meeting was very inspiring and I really enjoyed. The music was beautiful. Ros was very encouraging!!

It is so exciting to hear your prayer group. I can see you give your hearts and mind tirelessly doing God's work. You radiate the light and the love of God. Well done and thank you.

I am so grateful for the whole team in organising this. The talk and prophetic sharing is moving and inspirational . It is highly recommended for people to attend for them to know more about Jesus and get closer to God.

Thank you!
