Andrew gave a powerful and sensitive account of receiving and sharing the fruits of the Holy Spirit.

Thank you for a very inspiring and uplifting Spirit-filled morning again this morning, I think that many people were encouraged, inspired and blessed by it!

The talk explained the gifts of the spirit very well

An inspired day of renewal

I find it all helpful. I need the spiritual contact with people who share my Faith in Jesus. The Adore on-line is such a boost.

Really beautiful Mass, celebrated by Fr Paul - very good homily, reverent, clear voice

The breakout group was good

I thought the priest was lovely: very real, deep and wise.

The whole day is very helpful. Even after you finish for the day it makes you feel special. It is one of the best days in the month because it's got everything you could think of to make someone feel special starting from the very beginning of the morning right up to the end of the day.

Exposition of the Blessed Sacrament was very deep and meaningful to me this time

Good for topping up and sharing with like-minded people.

Helps to develop my spirituality.

A most inspirational talk.

Andrew is a very powerful speaker

I agree wholeheartedly with Andrew Lawrence the Power of the Holy Spirit in one's life is essential, and totally consuming.
