

## ADORE JAN 2022 TESTIMONIES OF THANKS

Thank you for another deeply healing and inspirational morning: just what I needed. Amazing talk by Charles - and I realise I haven't let myself truly live like God loves me absolutely. A whole new possibility!

I got a lot from Charles Whitehead as I always do, he is such an articulate speaker with real life examples of his journey and any obstacles.

This month I found the prophetic sharing very helpful and meaningful. A lot of the sharing seemed to be similar about coming to Jesus and about his love for us.

The praise and worship sessions are very uplifting. I have sorely missed the occasions of worshipping together in this way within a group. Your virtual session is as near as one can get to meeting for real with my brothers and sisters and sharing our worship of the Lord. The choice of songs is always beautiful and encouraging. The breakout sessions can be helpful too in spreading the Word and giving praise to God or encouragement to each other.

Charles's talk was as always inspirational and uplifting; he is so down to earth but also extremely Spiritual and has such a profound Faith which is catching!

Inspired by the Holy Spirit

Charles' last prayer. I really felt the benefit of it.

I felt the most helpful the talk by Charles who has worked with the Holy Spirit for many years.

I really enjoyed the praise and worship - loved the choice of hymns, I was singing them all day. Charles's talk, although not new, was a delight, a refreshing

I found Charles Whitehead's talk particularly inspiring.

Found this very spiritually uplifting and fulfilling

Breakout group was great as all shared.

Just praying and knowing I'm with many others together in God's presence

Liked the explanations - the easy to listen to presentation- thought provoking

I really enjoy the morning

I was so inspired by Charles Whitehead's testimony. It was so interesting and positive about God's love

I always love the intentional silence of adoration. Charles is an excellent speaker

Found the witness by Charles Whitehead to be rooted in reality and a powerful account of the work of the Holy Spirit. As such it was a personal account easy to relate to.

The prayer line: Great help in difficult times.

Connecting with other charismatic Catholics and spending time with the Lord together was the most helpful thing. But was also greatly encouraged by Charles' talk and the words of prophecy after adoration I thought powerful

The talk and break out group discussion were most helpful.

Charles talk was very informative and interesting. Made me think of God in a different way.

## ADORE JAN 2022 TESTIMONIES OF THANKS

I loved Charles' talk, found it very inspiring and encouraging. A longer time of prayer would have been even more helpful...

All of it - the mass, the talk, the prayers resonated with a deep need I was only vaguely aware of.

Everything was helpful and much appreciated. Amazing how I can be stuck on the settee and God visits in a beautiful way.

The talk by Charles Whitehead was outstanding. I have heard him speak several times before but this time his simple, frank, humorous style - explaining how he became Spirit-filled, what that meant for him and how the love of God overwhelmed him - had a particular clarity and conviction.

I was totally present at Mass. Charles Whitehead spoke basic language I could understand and was so natural, wonderful. All this helped me feel included and relaxed in my breakout group. Well done, keep it up.

Mass was beautifully led and Prophetic sharing was very enlightening.

I loved Charles talk I felt the breakout group challenging and helpful

Talk was brilliant and enhanced by great sharing in the group

Wonderfully encouraging talk by Charles

Charles Whitehead was, as always, inspirational. It is so difficult to move from head knowledge of God's love to heart knowledge! Alastair always makes it easy for both first-timers and those with many years attendance at renewal meetings, by not assuming everyone will feel comfortable with deep sharing.

I found surrendering to the Presence of Christ deeply healing and liberating. I cried a lot afterwards but that felt like what I needed to do - it allowed me to respond to the prophetic sharing at a very deep level. I found Charles' talk fantastic: the examples and insights from his own life especially. I realised that I have never been able to see God as a loving father/Abba - because of my hurt and trauma regarding my own Dad. The healing may take time, but the realisation and acknowledgement felt hugely important.

It was all helpful thank you!

I was unaware that these were monthly meetings, and if I can attend more often, it will give me time to think and hopefully make helpful suggestions to the above question you have asked.

I am encouraged to invite others as well as attend more regularly

I think the format is good.

I believe that if one has attended once one would want to repeat the experience

I found it great, and I am looking forward to the next one... Thank you!

Brilliant as it is

I'm already encouraged - and several of my friends attend too.

People listen in Prayer ministry

I have used Prayer ministry once: it was helpful, and my mind is crystal clear, relating to my body which has also improved.

## ADORE JAN 2022 TESTIMONIES OF THANKS

I found Prayer ministry very helpful on every occasion I have used it

Prayer ministry very helpful thank you. a lovely ministry

Prayer ministry was truly a heaven-sent blessing. I felt so comforted, reassured and understood. It lifted my spirit and gave me fresh eyes/perspective

I was prayed with, and I am claiming the healing - it has started to improve..... A while ago one of the team prayed for my neck and that has been healed praise God

Prayer ministry was great, and I have felt more peaceful and clear since.

Looking forward to the February ADORE

I am always encouraged to know that there are people "out there" who love God and want to grow in intimacy with Him. It makes me feel happy that He is loved by many of His children, and I rejoice to hear testimonies in praise of His abundant Love and Mercy. It is inspiring and lovely to hear about His works of Grace.

Keep providing this wonderful service please

Thank you to everyone involved. I've heard Charles's testimony before many years ago. Amazing! But like the Spirit of God it felt new and refreshing. The prayer was beautiful. It was nice to be reminded how we need to treat each day like a new day in the Lord. Feeling refreshed in the love of our Father.

I find this a lovely way to praise the Lord Charismatically.

Lovely gentle prayerful format which works really well

I really appreciate having this experience each month and I hope that it will not stop taking place on Zoom.

Thank you for hosting today's meeting and for worship. Thanks, too, to Charles. A powerful message that I needed to hear. So good to join and re-connect to my Catholic roots - God seems to be speaking to me about this in different ways at present. Homecoming are the words I sensed for myself today.

The time of silence was wonderful and I resonated with and echo lots of what others shared.

Every blessing and many thanks again,

Thank you for today. Looking forward to passing link for talk on to a friend who struggles with God as Father.

I like how you break the Youtube offering into the 3 separate parts.

Looking forward to receiving link for next month

I've known Charles for many years it was good to hear his back story again.

Blessings and Thanks to all

Great start to the year and good to be with you again.
