Thank you for all you give us each meeting. Thank you, Kristina for your Inspiring Talk, and Alison for your beautiful testimony.

Amazing and very thought-provoking talk...I shall listen to that again

Thank you, Kristina for your Honesty, looking forward again to listening to your talk on holiness

Amazing talk thank you all and Kristina

A wonderful morning!

A fantastic mass and presentation. Amazing to see the enthusiasm and successful numbers attending.

So joyful and reassuring to hear the testimony and the talk

I felt uplifted at being able to share again in such a group meeting as we don't have a prayer group locally; encouraged by the testimony given and the talk by Kristina.

The testimony, prophecies and talk all fit together seamlessly.

The meeting was run with respect. The worship was astounding. I was encouraged by Alison's testimony and I found it to be very brave. But I also appreciated that behind her bravery there could be a non-judgemental warm-hearted ministry. I also loved Kristina's informal and laid-back presentation and her honesty about our human flaws and about what really matters beyond the labels and social proprieties.

I just wanted to say how much I enjoyed the online day of renewal. The words at the Mass and the wonderful openness and honesty from Kristina really made me think about what it means to be Holy I loved singing alongside with the worship songs.

It was all good. I thoroughly enjoyed it. I've really missed this kind of thing.

I feel it is well organised, prayerful and uplifting and worth giving 3 hours on a Saturday morning to the Lord.

I really cannot fault the meeting, you have everything covered,

ADORE FEB 2022 TESTIMONIES OF THANKS

So valuable for those in small rural parishes, where social distancing makes even regular mass going difficult. These kinds of days feed us!!

I felt the character of God in you all; his humble and kind heart shining through you. And so, you have been a great encouragement to me and I hope to all the other participants. Afterwards, I went out for a bike ride in my local park and found myself praying (in my heart) for everyone and everything. So, God is making miracles through you. God bless you.

I am now housebound and events such as the retreat mornings are very important to me. I have attended all the Adore mornings since they were first on zoom early in lockdown. It is good to be able to share in such events online and not feel totally isolated.

The sharing by Alison was really anointed. Not a word too much not a word missed. Kristina was on fire. Never seen her like that! So blessed. I might listen to those talks again in Lent.

Kristina's talk was very helpful and inspiring

My prayer group has not met since lockdown, I miss the spiritual connection to God, through praise, and Adore gives me that comfort of knowing that there are many people like me wanting more of God. So many thanks for your work

The format is well balanced. The testimony by Alison was powerful. Christina's talk was so inspiring, teaching that we need self-appraisal and a wakeup call.

Testimony and talk were powerful witness statements - broadening my perspective of the work of the Holy Spirit in the world through diverse accounts.

Kristina's talk very good and interesting. Whole morning very well organised.

The enthusiasm of the leaders is infectious

The Testimony and talk by Kristina were very powerful

The whole programme was quite enjoyable.
