

TESTIMONIES OF THANKS MARCH 2022

Thank you so much for another wonderful spirit filled morning. God bless everyone and thank you Fr Simon for your inspiring Talk.

Brilliant morning thoroughly enjoying and infilling. Excellent talk and testimony Thank you all

Praise God for his goodness. I attended this morning and it was mentioned that someone with a painful left knee should contact the Prayer line. I did and was prayed with. I believed the Lord would intervene... He did. A couple of hours later and the pain has gone. Thanks be to God. I really enjoyed today. Fr. Simon was fantastic and so was the rest of the day. Thank you so much for allowing us to join you. God's blessings to all.

Thank you for today I very much enjoyed the retreat. I thoroughly enjoyed the priests talk during the second half.

Dear ADoRE, I have had very many health issues/concerns over the years, (and in particular the last year), and every time I have received prayer support from you, over the telephone, I have been blessed by it and it has touched me. Several months ago I phoned and received prayer from a couple who prayed for healing for me for my swallowing problems and to help me with my anxiety and sleep problems. During the prayer, I was flooded with peace and became very aware of the Lord's presence. I felt as though there was a slight improvement in my swallowing at the time too. It was a very reassuring and encouraging experience. The prayer ministers are always so encouraging and good at getting me to focus my mind/attention on the Lord and what He is doing and helping me to focus on trusting Him and letting Him act...Rather than trying to sort my problems out alone/independently.

I would like to thank you for Saturday. It really was beautiful. I really feel at home within your sessions. I know life is not all about feelings but I really felt so much peace.

Good to spend time at Mass and quietly in adoration

It was good to join such a large group and from my own home. I also found the timing really good.

I enjoyed the praise and worship as it is good to be able to really praise God in song. Also Fr Simon's talk was very helpful and how it all comes down to love.

Everything about the morning was rewarding, a very spiritual renewal

The whole day is so well organised and prayerful. Fr. Simon talk was powerful but very down to earth.

I enjoyed the talk. It was a fresh presentation.

What I love about Adore is the impromptu things: the prayer for sacramental communion, the times when it doesn't go quite to plan, it just so down to earth. The talks are always so enriching. It's a great mix of prayer; mass adoration, praise, fellowship

I really enjoyed Father Simon's talk

Inspired me to continue on my journey to get closer to God, knowing that I have support from others

It is helpful to attend meetings from home

I moved to England recently and had really missed charismatic prayer meetings, my heart was thirsty for more and I was really filled at the meeting.

TESTIMONIES OF THANKS MARCH 2022

I've not thought of myself as an ambassador before - historically have seen myself as a witness. Fr Simon's witness references and his linking of humility to the virtue of patience was also affirmative of the part of the Our Father which emphasises "your will (not my/our will) be done".

Yoofi's testimony about God's healing power reminded me of the importance of perseverance in prayer.

It is always good to be with other like-minded people to draw closer to God through prayer.

I think the format could not be any more helpful

The meetings are well advertised and prayerful.

Telephone prayer ministry is excellent

Whenever I ring the prayer line they are helpful

Thank you to the organisers.

Time management was excellent.

I find ADoRE amazing it really uplifts me

Thank you everyone and especially Fr Simon

Thank you for another blessed morning & to all involved...all glory to God!

Thank you and God Bless you all

Thank you so much. I feel the joy and the love

Thank you for a very blessed morning, especially to Father Simon for reminding us about the meaning of JOY and how in the ordinariness of our daily lives, we can live as true ambassadors of God's love.

God bless you all

Thank you all and thank you to Fr Simon for confirming the importance of small things done in love.

Thank you for the inspiring morning.
