

## TESTIMONIES OF THANKS - ADORE JULY 2022

What a wonderful prayer group you all are and much more. Holy Mass with Fr. Brian was beautiful. "A Priest is like a beautiful rose with thorns all around them". Prayers for all our Priests is vital. Adoration is so meaningful and apt following Holy Mass. Testimony by Marie so open and honest. Talk by Peter exhilarating. Your worship, praise and words of encouragement throughout this prayer meeting instils a lightness in our homes. It is obvious to see Jesus in Alastair and your group as you all give your hearts and minds tirelessly doing God's work. Praise God for you all and thank you for all you do continuously bringing Jesus into our homes. May Jesus presence come beside you, be all around you and remain with you always.

All was beneficial to me thanks

The ADORE retreat day punctuates the month in an uplifting way. It shows signs of life in the church. The Mass is so reverent, adoration so significant, testimony so encouraging, the Talk so profound, the group discussion energising. The words of knowledge are signs of the Holy Spirit at work. The time of worship fills my soul and I am renewed!!

Everything so gentle and prayerful as always

Thought Adore was wonderful!

The talk was very sound

Christ centred

Testimony by Marie was amazing witness to her faith and led beautifully to Peters talk.

Such an everyday topic

Testimony & talked pitched just right. Very helpful. Good helpful sharing in our b/o group. Adoration and Mass are always helpful. Nice music - all GOOD

Father's homily especially ... In fact during the whole morning, I found many new points to research and reflect on. It was very inspiring and blessed morning, thank you so much.

All inspirational and uplifting.

Break out groups

I love everything about Adore: The Mass, Adoration, Testimony, Talk and hymns. I love the prophecies too.

I'd just like to say thank you. Very blessed with your ministry. I like the fact that you reassure people that you believe the Holy Spirit has prompted them to be there. You have a really welcoming approach which helps people to be open and return.

Thanks for putting it on!

ADORE is a gift to the church

So blessed thank you

Praise and Worship group were great! Lovely seeing a family on this slot!

It was such a very beautiful morning and even though there were a couple of 'bumpy' bits, the Lord was very present in the 'perfect storm'. I know glitches happen when technology is involved but I didn't feel it detracted from our encounter with the Lord.
