All are helpful and such an amazing retreat

It was a most Spirit filled meeting, the talk was very helpful and the prophecies resonated with me.

It's all very important: Mass and adoration it's wonderful, start the day with Jesus!!! Incredible!!! Prophetic sharing - thinking about that because it increased my faith. Praise and Worship, helped everyone inside and outside that community. Testimony helped us understand how to speak and believe in Jesus more every day because he is true and love! Talk and prayer helped us change things when we need to start that relationship diary with Jesus Christ and take time for listening... Question & Answer, every day learning more, especially when it's about Jesus, Mary and the Holy Spirit! Thank you very much for talking about your personal experience!!!

Follow up telephone Prayer Ministry, It's really helpful, its Divine Mercy from the Heart of Jesus as a fount of Mercy for us! Thank you very much!!! Music, happy time and moments for praise!!! Our spirit keep in company the King; and remember all that as proof of his love for us!!!

## TESTIMONIES OF THANKS FROM ADORE 22 OCTOBER 2022

It all helped me: it's part of my future and praise.

Prayerful, thought provoking, inspirational

My feelings very moved and grateful to our Lord

The Mass with Fr. Paul was beautiful, and his homily was very helpful. The talk by Allegra was inspirational.

There was a direct word for me, following over 3 weeks of prompting from the Holy Spirit.

Yes, thank you very much for prayer ministry. It's very good idea, and very helpful!

Prayer ministry very helpful.

It is a wonderful retreat.

Thank you very much Adore Online for thinking from The Heart of Jesus and help with spiritual life, etc!

I had an intimate moment with the Lord but I was embarrassed to share it. Tears started pouring from my eyes almost immediately, without understanding their source ... Then I realized that they were the tears of joy that a father feels when he hugs his lost son.

I have a testimony. During this time of the praise I felt God moving in my heart. I could feel God smiling down at me and I saw that His love is completely unconditional. Completely, there was nothing I could do to change that. He just loved me in every way. It was so powerful. Christ and His mother were there.

Thank you for this wonderful event, which I really appreciate.

Good to have the talks on YouTube, I was able to refer to a helpful session I couldn't attend.
