

ADORE 26 NOVEMBER 2022 FEEDBACK

God bless us and our Families and most importantly the Alton Team who make this amazing session, so inspiring and fruitful from me and others too a refuelling station. Thank you and may the Lord keep us all safe in His tender love and care. Amen

Thank you for another wonderful and enlightening session of Spiritual Renewal. God Bless you and all who took part, so very much appreciated.

Thank you for a spirit filled morning, God bless you for sharing the love of God through your ministry.

A lovely Mass, as always, and a very thought-provoking sermon which was encouraging for our start to Advent. I'm pleased that I'll be able to catch up at a later date from Youtube....thank you for making that available to us. Much appreciated, especially by me this time! Thank you for all your preparation for today...I know these things take a lot of time to prepare. God bless you and your ministry.

Lovely as always.

Father Anthony's sermon was very helpful and I loved the quiet time in front of the Blessed Sacrament
The testimony was in a refreshing format.

The whole session of Charismatic Renewal was wonderful. The Mass and homily beautiful by Dear Fr. Anthony. The talk and the witness, the music and the sharing. All spiritually inspired and uplifting. A morning filled with love and joy.

It was a great opportunity to feel at home among others like me, believers in the spirit of Our Redeeming Father. I found the mass really meaningful and spiritual and Father's talk really helpful and encouraging. Overall the experience has been so moving and helping me so very much. Thank you all the team for such a great experience.

Inspirational and thought provoking - refreshing my existing thoughts/feelings.

Enjoyed celebration of Mass and silent Adoration

I appreciated confirmation of things that are happening now

The Priest and His Sermons were very good. The sharing and group sharing was good too. I enjoyed it this time.

A much-needed time for reflection and prayer - both individually and sharing with others in the groups. I also appreciated the Prayer Ministry today

It was a precious time and a beautiful reminder of how essential it is to read and receive the implanted Word of God. Nothing is more important.

I used telephone prayer ministry during the week and found it very rewarding and helpful. Will use it again.

Prayer ministry much needed this time around...thank you.

Another spirit filled morning and well balanced....I like the format.

Thank you for another wonderful & spiritual morning. God bless you all Amen

Final Prayer- Heavenly Father, Beloved Son and Holy Spirit, we have gathered today to worship you because your everlasting and unfailing love has touched our hearts. Help us to adore, honour, praise and witness to you more and more. Enlighten us with your truth, guide us with your light, and console us with your unconditional and ever merciful love. Help us to accept all that you allow to happen to us and unite us to your perfect will so that we can always be faithful to you. We ask this through the tender and compassionate heart of Jesus, the unsurpassing power of the Holy Spirit to your eternal glory heavenly Father. Amen.
