

## TESTIMONIES OF THANKS – ADORE FEBRUARY 2023

Beautiful Mass with encouraging homily. Amazing talk by Michelle - I've heard her talk many times but she still mentioned so many rich and new things. Inspiring and affirmative words.

Everything was so relevant to where I am at the moment, so I had some questions/thoughts answered. Michelle's talk was inspirational.

As always, speaker brilliant and you have certainly managed to engage the top names for this, who are able to bring their message simply and in an easy to understand way.

Excellent way to spend any Saturday morning, more so in Lent.

It was a beautiful morning, praising and glorifying God in song and prayer. The talks resonated with my faith giving me encouragement and perseverance as a sinner, to humbly follow Jesus, giving Him everything I have and own. Wonderful to be reassured that Jesus never abandons us whoever we are. Thank you so much for all the blessings your team gave us today.

The whole session was really wonderful for me. I always love listening to Michelle, she is straightforward and practical, speaks to my soul. Please be encouraged Core Team you've enriched my life today. God bless each one of you.

Michelle's talk was particularly good, full of practical wisdom and insight. She has such a gift for weeding out the unnecessary and focusing on the essential. Her message was stimulating and encouraging. It helped me to focus my attention on what is truly necessary journeying with the Lord. God bless her! Father's Homily was also very helpful. It's often difficult to accept apparent lack of enthusiasm from our clerical brothers. His advice was kindly, necessary and honest. Humble accompaniment. Thank you.

I feel The Holy Spirit has been moving over the weekend since the Retreat. On Sunday, I got chatting to four strangers walking near my house.... We had Praise & Worship, Prayer ministry, and 3 Baptism in the Holy Spirit, and 2 Renewals in the Holy Spirit, collectively. I feel that this was a grace from God, as a result of Saturday's Adore online retreat.

I found the talk by Michelle Moran very inspiring and encouraging, especially the bit about "being" and not so much "doing". I also found Judith's testimony very helpful.

The whole event was refreshing as always.

Michelle's talk so exactly right for the times

Both Fr Gareth's sermon and Michelle's talk were excellent

Praise and Thank God immensely for your amazing talk, inspiring and spirit filled, Michelle Moran.

Thank you to EVERYONE who has made this meeting possible. Fantastic talk by Michelle. God Bless everyone

Thank you and every blessing to all for a wonderful and inspirational morning. Come Holy Spirit!

Thank you Michelle for your wonderful encouragement and to all the Adore team and Fr Gareth for today's fellowship and faith sharing. May the Spirit fan our faith into flame throughout this Lenten season and embolden us for service as disciples.

All very blessed and so encouraging

I just want to repeat how helpful I find these mornings as I am now housebound and able to get out to attend Mass and be part of a worshipping community.

The testimony was very powerful

Still a little buzzed after being at my first charismatic meeting in 30 years.

I found the whole morning very uplifting. I felt a word of knowledge was for me. Praise God.
