

FR BRIAN COOGAN RIP

Went to glory 16th March 2023

In November 1974 Fr Brian started a prayer group in the home of Ron and Margaret Nicholls in Basingstoke. Soon afterwards, Alton Day of Renewal (ADoRE) began the monthly programme which has continued ever since. After a long but active retirement in the Isle of Wight, he transferred last year to a care home for Priests near Liverpool, where he died a few weeks after his 99th birthday.

We thank the Lord for Fr Brian's fruitful life and ministry, and the best tribute we can pay to him is that we are still continuing ADoRE as his living legacy.
