Thank you. An inspiring morning.

Thank you for another wonderful morning Amen

Thank you for today's retreat and to you all. May God's blessings pour down on you all

Thank you to everyone for today. Great session as always and fantastic talk from Marcin and his team. God bless everyone.

Inspiring, super, motivated. Hope to be part of this incredible group again.

Thank you so much, illuminating as always. The testimony and talk very empowering. Thanks all.

Thank you for a wonderful blessed morning. All those who took part, opened up our hearts to the Holy Spirit. Praise God.

May God anoint all those in the prayer-ministry.

Marcins talk very informative.

The testimony was very powerful. I found myself in tears I could feel Angela's pain.

Phone prayer very helpful

Everything was spot on. I could feel Holy Spirit working from the very beginning.

It was so uplifting. I found the whole thing excellent.

I found all the content helpful and you did a great job in reorganising everything today.

The rosary was very contemplative, loved it.

Always good to be encouraged and renewed.

ADORE JULY 2023 FEEDBACK

Truly appreciative that you could immediately implement Liturgy of the Word with the absence of the priest, followed by the Rosary.

I find the retreat very inspiring and encouraging. It was lovely to feel that we were all united in prayer.

It was good to be back in a Charismatic Renewal event again. Lovely people. Marcin great.

I felt at home, speaking the same Christian language.

The way of saying the rosary was very inspiring- I have never heard it said this way. The prophetic comments were also thought provoking. As always, the choice of praise songs was great and so lovely to sing with joy together. Finally the talk from Marcin was spot on - I seem to be hearing this message from so many different people. I loved that you didn't allow technical difficulties to stop you. Thank you so much.

Loved everything about it all.

Alastair managed the meeting very well.

Today I found all that you offered extremely helpful.

Prophecies always help me.

Praying with others in my own home helped me focus better. A prophecy spoke into my heart.

I found I could relate extremely closely to Angela's testimony about her relationship with Mary due to the hurt experienced as a child. I haven't had such a dramatic healing.

I just look forward to Adore every month.

It was all affirmative and Angela's testimony especially so - reminding us that Our Lady is our mother par excellence.

I had good night's sleep after prayer ministry.

Angela's testimony was really beautiful and touching, and the talk by Marcin was very encouraging, to step out in faith and be a witness to our lord.

Found Angela's testimony very powerful as I too had a profound experience at Medjugorje.

To be able to take time out from a busy schedule, to spend time with the Lord in itself was a blessing. Thank you for the opportunity.

The testimonies from the team from Cor et Lumen Christi were inspirational and challenging. Seeing how God was using Marcin even during the meeting was also a boost for my faith and the call to heal and not just to pray for healing. Also the lamp analogy and maintaining the Godly nature.

Marcin's talk on healing inspirational. Things I had not thought about before. Prompted me to contact the phone line.

The feeling of being included. The closeness of all attending. The clearness of the messages especially from Marcin.

Everything shared was valuable, and the love and care clearly seen, very encouraging and edifying.

It was a beautiful morning. I know there was change in the schedule but it all went well I thought.

ADORE JULY 2023 FEEDBACK

I am very grateful to God for leading me to your great ministry

You are all doing great - just continue to be inspired by the Holy Spirit!

I think the meeting was very good but it depends a bit 'where you're at'. It reminded me that I don't pray for and exercise the gifts as much as I used to.

The Holy Spirit guiding everything is helpful, if you do it for Abba Father, with Father, with charity you are in Jesus Christ path! Glory to God!

I think everyone there will want to come back.

Keep doing what you are doing

I am encouraging people to attend when they can

Just to say thank you to the team for your hard work, may God bless you all

This is my first time at this meeting. For me, a person involved in the charismatic movement and serving intensively, it was a time of respite, a time of rest with Jesus. I have experienced a community centred on Him: it is good to know that there are many of us who are in love with the Lord. It was good time to build my faith.

Great job! God bless you and keep you

It was my first time and I will definitely join again if I am available.

It was for me a time of encouragement and confirmation of what the lord was doing in my life and the vision of our parish mission group. Bless you all and thank you.

Just want to thank you for all that you do

Thank you team for this monthly faith life line.

The way the rosary was led was beautiful.

Thank you for making it possible every month - I can't always attend but always try to if possible

Thank you to all. Much effort goes into these retreats and it is much appreciated. I really enjoy and it is such a blessing to many including myself. God bless you all.
