

ADORE AUGUST 2023 TESTIMONIES OF THANKS

The Holy Spirit was definitely present for me, so thank you for the session. All the work that was put into it was much appreciated.

Talk from Ros, most helpful. We enjoyed the whole, efficiently well run event.

Hearing the "The Deliverance Ministry" presentation by Ros was extremely enlightening

Oh Ros. Thank you. I wish your talk time could have been extended. Such a powerful talk. Very much needed. God bless you.

Mass, adoration and praise are always a true blessing.

I found this talk extremely powerful and I couldn't believe how relevant it was and I really needed it. Thank you.

Always the prayer and praise is the outstanding feature. Ros has powerful presence.

The worship and prayer was inspiring.

Ros's talk was very powerful and I found the prayer afterwards very helpful

Praying together was very powerful

I love Praise and Worship. I love to praise and worship my God, I feel so close to Him and the Holy Spirit is tangible. I found Ros's talk encouraging and her prayer liberating. I felt set free from those things that bind me. I miss the Southampton Celebrate Conference terribly and hope it will return. However, I love attending the ADoRE Meetings online.

The Mass was brilliant and the technology worked extremely well. All the rest was up to the usual standard.

I want to thank Alastair and Adore for these wonderful days of renewal allowing us to join online from everywhere.

It was helpful to hear the amazing teaching with such care and the prayer from Ros. The praise and worship by Alastair was beautiful, enhanced by the pictures which conveyed vividly the love of Jesus.

I enjoyed the testimony by Julie which set the scene for Ros' talk

A calm and peace always descends on me during Adoration, even for a short period, so for me it was good. The prophetic sharing was interesting and there may have been one item that related to me. I think Praise and Worship is a vital ingredient for Charismatic gatherings. It was interesting to hear Julie's testimony and what she had been delivered from and how long it had taken. As for Ros Powell's talk, I have heard a lot about her. This was my first time hearing her and her talk was very interesting. The prayer by Ros was very powerful and I felt much lighter at the end of the session.

The testimony by Julie and talk and prayer by Ros as extra dimensions

Overall very prayerful spiritual and sound teachings given biblical support too

Prayer and praise always welcome. I can't travel to meetings to hear speakers so it's a real blessing to be able to hear speakers at Adore.

Spiritual warfare. I like learning as much as I can as much needed in these day. Many people are unaware of Spiritual warfare and can be dismissive. They need to be educated.

Excellent testimony by Julie. Brilliant talk and prayer by Ros

It was interesting to hear how Ros exercised her ministry of deliverance,

Thank you. During the musical prayer time, my heart swelled up with emotion and spiritual love, while silent tears flowed freely. The first part of the retreat was very powerful and inspiring. An amazing experience. God bless.

Wow! amazing and awakening to the darkness in the world, something we have all been aware of, but to have it expressed so succinctly, and to hear Ros' inspired words from the Holy Spirit. Our help and guide in Jesus. We have no fear, we have been blessed to hear this "Deliverance Ministry". Praise God and thank him for Ros. God bless her and my grateful thanks.

As always Ros is a very powerful speaker- a tour de force. This is a difficult subject but an important one.

I want to get involved more

I found the content of Ros' talk very useful

Peoples prophetic words are always helpful to me thank you
