

TESTIMONIES OF THANKS SEPTEMBER 2023

Thank you for an inspirational talk and charismatic morning worship. God bless to all!

Thank you to all and to Geoff the inspirational speaker.

Thank you everyone and God bless you.

Nice balance between the various events and good overall organisation.

It is an inspiring time of praise and worship and the talk always gives me food for thought.

Experienced speaker who kept one's attention by giving examples and own experience.

The praise and worship is always so connecting with God, really love that session.

Friendly people: felt welcomed.

Thank you for an inspirational talk and morning.

These ADORE sessions are truly blessed. Thank you for managing to keep the Zoom option on days when you are also managing an actual Day of Renewal. Well done Alastair and the team!

Just to say what a lovely and successful morning it was today, well done to all of you! What a spiritual morning. A morning I needed and with prophetic words potentially giving 'answers to my questions' too. So thank you for the opportunity to hear Gods word.

Thank you all for a beautiful day at St Joan's today. Special thanks to Geoff for his talk - very moving.

The timetable was extremely well organised giving enough time to embody the sessions and discuss our thoughts and feelings with our peers old and new. There was plenty of room to sit comfortably in the hall with our friends, family and loved ones. The hymns and sung psalms were beautifully laid out with great music. The Holy Spirit was present when I arrived and the Holy Spirit left with me. Thank you

Geoff's talk. I found very inspirational and challenging.

Praise and worship. Lovely to sing along with familiar songs.

Thanks for a very helpful morning.

The Praise and Worship by Alastair and the talk by Geoff Poulter were both wonderful. Thank you.

I very much enjoyed Geoff's breathing meditation (inspired by Gina and Ignatian tradition): Breathe in – "Lord Almighty". Breathe out – "May your face shine on me.

I enjoyed the Praise and Worship music. Praise God.

Delighted to read that subtitles will be available for the monthly meetings - I'm totally deaf and rely on lipreading and a cochlear implant to follow the message - Zoom is often a struggle so I'm really looking forward to the subtitles and transcripts! Many thanks and God bless.

Technology is easy to use. The preparation and reminders are helpful.

I like the pace of the day and the call throughout to open ourselves to the Holy Spirit. It's a safe space to be in. Welcome and hospitality were excellent. The praise and worship felt infused with the Spirit. Many thanks to Geoff for his talk. He was so open about the loss of his wife.

More deliverance and healing. Powerful. LOVE choices of songs for Praise & worship.

I thought Geoff Poulter's talk was very moving and inspirational.

It gave me a sense of inner peacefulness and strengthened spirituality.

Liked very much the prayer and worship. The talk, adoration & Mass essential, I think.

As I'm elderly it's great to be able to join on zoom.

Wonderful talk by Geoff Poulter.

All positive Thank you for your hard work. May God bless you.

I appreciate the support given by the team making this available to a wide audience.

Had a great day, worth the travel.
