

TESTIMONIES OF THANKS ADORE NOVEMBER 2023

Just found Russ' talk very profound for me personally at this particular time. Another wonderful spiritual 2+ hours

The talk by Russ was inspiring. This Dear gentleman is full of The Holy Spirit and in his 'life's work' will bring many to salvation. Praise God.

Adoration is helpful as I can concentrate in peace.

There is something about the whole package that speaks of authority, of God's hand over each month's meeting. The unity and commitment of the Core team shines with love.

I enjoy the varied Agenda, and find each part of the meeting beneficial in its own way...Mass online is invaluable when I am unable to get to Church in person (a huge thank you to Fr!), Adoration sublime...enveloped in Christ's love...Prophetic sharing helps me to feel close to the Adore community...the Holy Spirit always fills me up during Praise and Worship...I love listening to people's individual faith journeys...so different, and all so amazing...Russ's talk triggered some intense emotions for me personally, so I needed to leave the meeting early this month...

Lovely Mass and morning.

The whole event is expertly managed and very well presented. I could find no fault at all.

I find these monthly Saturday mornings a real tonic for my spiritual wellbeing and prayer life - thank you and praise God for all your ministry Alastair and the whole Adore Team.

Thank you to Alastair & everyone involved with Adore. Glory to God Amen.

Wonderful! Thank you ADORE team.

Thank you Russ. If everyone who heard your wonderful talk, put this into practice, this would help to transform our Country into one of Christianity, as it always was. Love and blessings to all.

Russ Fairman's talk was really special and amazing. So encouraging to hear what happened when he co-operated with the prompting of the Holy Spirit. He seemed to "glow". It was refreshing to hear him speak and touched me.

I loved the songs that Chris and Anita had chosen.

I thought that the Q&A worked well for Claire's testimony, it was very encouraging.

Russ's tales of how God works if you surrender fully were amazing, he is so tuned in to hear God's word. An inspiration.

Russ' session so interesting. Only wish I had such strong faith.

They are always of a good standard.

Interesting talk. Very uplifting

very pertinent to my aspirations

Everything was perfect... A truly blessed morning.

Just realised how I need to pray for greater faith.

Everything was perfect

I have always found it an excellent way to spend a Saturday morning providing one is free to do this.

I enjoyed the music/singing and praising -

Thank you everyone for your witness to our faith.

Please keep going as you are

The quiet periods of Prayer and Reflection are also very helpful.
