

## TESTIMONIES OF THANKS FROM ADORE JANUARY 2024

Today's program was wonderful, I am blessed for attending from the Mass, word of prophecy, praises, testimonies, the talk - it was all awesome. Best regards to the team and ministers.

It is lovely to be able to share some time with other people who want to praise God in song and worship. I love the Mass and time of Adoration. It makes me feel the presence of God. Charles was as always so inspiring. And while reminding us of the work of the Holy Spirit, He always has a fresh way of inspiring his listeners!! I was encouraged to realise that I had very similar thoughts/ words as Sue Whitehead. She is also a great inspiration to me.

Wonderful morning! Thank you all so much... a perfect way to spend a Saturday morning. Thanks for all the hard work to everyone who helped to make this morning so encouraging. And thank you Charles!!

Very uplifting and encouraging God bless you

Thank you so much, it's good to be here.

Thank you to all involved. God bless you all and this ministry

An inspirational morning! Thank you

A very beautiful experience

This is my first time having been moved last year by a "Life in the Spirit" course and Alpha. My journey of faith has been moved up several gears.

I found the Mass and homily inspiring. I could feel the presence of the Holy Spirit and a sense of peace. I also found the prophetic sharing helpful this time as so many people's sharing seemed to be along the same lines. The need to be open to the Holy Spirit and close to Jesus in prayer.

Thank you Charles. God bless you abundantly.

Thank you Charles and Sue. and ALL My heart is on fire, I need this.

Charles' talk was very good as always, it's good to be reminded of all this, great to have all the bible quotes affirming what he says. His comments about praying for healing and his answer to the question about discerning whether it's our will or the Holy Spirit was extremely helpful.

Excellent speaker in Charles Whitehead and moving testimony from Kathy.

Charles talk was uplifting and he puts things across so well and straightforward. The testimony of faith was great

Another very blessed morning especially Kathy's beautiful testimony. Charles was brilliant as always.

Overall I was glad I attended. Charles's talk was excellent. I enjoyed the worship.

As always, I find the morning well balanced & inspirational. Great to have Mass, adoration & P&W before the talk. Charles is such a great speaker - easy to listen to and so knowledgeable with many references to the Bible catechism & papal documents etc.

Thank you for a really good talk

Thank you Kathy for your powerful testimony. Really uplifting. May the Holy Spirit continue to work in you and bless you. Amen

Thank you for today

This has been wonderful; thank you so much!

The monthly mini retreats are a life saver & such a boost - praise to Jesus & Holy Spirit!

A great meeting, praise God! And a wonderful talk by Charles Whitehead

Wonderful outing with the Holy Spirit today. Thank you.

It was indeed a great talk. Thank you Jesus.

It was a wonderful experience.

I found the whole day uplifting.

Charles is a brilliant speaker and very clear in his teaching.

Giving me encouragement to keep plugging away in my own parish.

Charles Whitehead's talk - a good revision!

It was all a blessing.

Charles' talk was vintage Whitehead!!!

The atmosphere was good and the people who spoke were short and concise and interesting.

This was the first time I had received pictures during Adoration.

It was a wonderful experience and such a great idea to have online so you reach more people - thank you all.

All very faith-building and inspiring

Kathy testimony and Charles Whitehead talk - inspirational

I was challenged by the many positive things that were said about Eucharistic Adoration.

The whole retreat was very uplifting. I was joined by a young man who is seeking baptism, He came in time to hear the testimony and Charles teaching and was very inspired.

Praise and worship and prophetic words.

Always a good and helpful morning spent on zoom with adore.

Charles talk was inspirational.

I liked Charles's talk because of the Scripture references and the light touch and of course the emphasis on the Holy Spirit

I think the foundation is good in terms of adoration, Mass, testimony

## TESTIMONIES OF THANKS FROM ADORE JANUARY 2024

Charles Whitehead is such a fabulous speaker.

I always find the whole morning helpful, but some parts, like the homily and Charles Whitehead's talk more helpful than others.

It was a complete experience, each component was essential to the overall uplifting experience

The time of adoration that we managed to have was lovely, it was a beautiful monstration and a good close picture, thanks for managing to find such a lovely exposition.

All wonderful and prayerful

It was all extremely helpful

I really look forward to the Adore Meeting and find everything helpful. (even though it is not always possible to attend)

Thank you Alastair and team for all you do to make the meetings so enriching

I didn't use the prayer call today but have to say how useful it was before.

Loved the music after the meeting, as well as the praise in the meeting.

Thank you for setting these up online.

Generally you have got things right - keep up the good work

Loved the prayer & praise. The songs were all my favourites. I like Alastair singing - clear and prayerful

Well done, it was a beautiful morning.

I always look forward to your meetings and if I can't attend them, I view them on Youtube when they're put up. I think this year's will be special, Come Holy Spirit.

Thank you for all the work and effort you put into making these days so blessed.

The free cards are wonderful to have & to give them personally to others - thank you.

I live in NSW Australia and started going to your meeting late last year this is the 3rd I think that I have attended

Well done - fantastic talk and Sermon/Mass, wonderful. Thank you!

Wonderful to be enlivened and fed each month.
