

TESTIMONIES OF THANKS - ADORE FEBRUARY 2024

I thought it was a lovely meeting and I loved all of the speakers.

It was good to share with so many people of the same faith and great to hear inspiring stories of conversion and affirmation.

I found the talk amazing and so Spirit-filled. I can't wait to watch it again.

Thank you for all the behind the scenes work to ensure a very prayerful experience.

This retreat was very helpful, I truly believe that the Holy Spirit called me to join yesterday.

Thank you for organizing it, an excellent way of bringing us closer to the Lord

Thank you Adore. This is my second session and it has been wonderful. I will continue to join you month on month to grow in my faith with you. God bless you and everyone who attended today!

First time at the event and thanks so much for the event. Thanks Mary for your talk and happy to see the holy spirit is working in our church. May he pour more power and more fruit in our church in the mighty name of Jesus.

Mary and Stephanie's faith shone out of their words, and what they had to say was encouraging.

It was all very inspiring but especially the talk by Mary Hirst

Mass and Adoration are always helpful, whether in person or streamed. Mary Hirst was particularly inspiring, showing what the Holy Spirit if we accept Her wisdom.

Mary Hirst's talk was FANTASTICso easy to follow and so rich. I loved the way she was prepared to share her own journey, and the realities of that journey. The opportunity to have times of reflection in the talk were excellent. One of the best talks I have heard.

Prophetic sharing was very good. Great to hear how the Holy Spirit was working in and through participants, and how some of the prophecies related to what Mary said. Affirmation.

Gave me peace, guidance and relief, so I can be joyful and hopeful again

Mass very clear, good sound & picture.

Mary Hirst's talk/meditation was amazing and brought me to tears at one point as so poignant and personal - Jesus was definitely speaking to me through Mary - Praise Jesus Amen! Her smile was infectious and so encouraging. I will listen again and reflect on the many quotes from the Bible.

Thank you

The quality of the Praise and Worship and both the Testimony and the talk was excellent. The testimony from Stephanie was particularly uplifting, inspiring and encouraging. Some of the Words of Knowledge were amazingly accurate and relevant for me.

The enthusiasm of both speakers is what the Church needs.

Mary Hirst was a delight to listen to. She glowed with the Holy Spirit.

Thoughtful prompts for prayer

The testimony and talk were both very inspiring. I had a young friend watching with me. She said Mary's talk spoke deeply to her.

The Holy Spirit was so free in prophecy, worship, testimony and teachings
