Thank you Fr Chris and Alastair and to Kate whose testimony was so thought provoking

What you are doing will change so many lives – praise be to Jesus. Certainly helps me, so thank you.

Kate's testimony was warm and well spoken from the heart. Thank you

Fr Chris' talk was very good . I found it full of insights that spoke to my situation.

Kate Whitaker's testimony was beautiful, inspiring and filled me with hope!

## ADORE JUNE 2024 TESTIMONIES OF THANKS

Fr Chris' talk showed me that I really need to be patient and surrender more. Surrender everything to Jesus.

The whole set up is spiritually uplifting

Kate's testimony was inspiring and not at all ordinary or boring as she seemed to think.

Fr. Chris's homily, his talk and his sharing was very uplifting. In fact everything was awesome all glory to God.

The Holy Spirit is moving but sadly many don't even know or want to know the massive effect and change it can bring about

I thought Fr Chris gave the most amazing beautiful inspiring homily!

So good to be able to HEAR Fr. Chris so clearly and to be so close to the Mass and i thought the talk was vert good indeed and loved his final story from his childhood.

I find the Mass very personal and real in its simplicity.

There is plenty of time to reflect on the Mass, the sermon and the talk .

In the talk Fr Chris gave relatable examples and events from his own life that were meaningful.

He also signposted us to writers that supported his talk. Eg Richard Rohr

Adoration is again intimate and the peace and quiet without distraction is very special.

People spoke well and content was relevant and appropriate

It is just wonderful to be amongst people who recognise the ministry of the Holy Spirit and talk about Jesus. I am not a Roman Catholic and I praise God to have found RCs who truly worship God and our Lord Jesus

Father's talk was so relatable to our life experiences

A very prayerful morning. The talk by Fr Chris was excellent. His story about his aunt resonated with me.

The testimony by Kate was really inspiring she may have thought it was mundane but it was not, especially when she said about the sermon at Mass when the word that Jesus was true God and true man was a light bulb moment when the Holy Spirit broke through and made the word alive.

It is always a spiritual boost encountering Fr Chris Thomas, thanks be to God for his ministry

The talk by Fr Chris was really inspiring

## ADORE JUNE 2024 TESTIMONIES OF THANKS

I found the Mass very spiritual and moving I got a deep sense of peace. I also found the talk by Fr Chris very helpful and encouraging.

Fr. Chris: Stepping out in faith, taking risk.

I thought the whole day was excellent.

Another well balanced morning

All helpful. I especially remember Alastair saying for Adoration "absorb the rays of his holiness - tell Him what is in your heart" and Fr Chris saying "I am a child of God, loved by God. Let others know they are totally loved by God." & the advice to follow God more totally, more trustingly and risk to be compassionate and vulnerable.

Felt incredible peace during the worship

Testimony came across as very sincere and humble. Fr Chris's talk was excellent. Even though I am now in my 60s, I am looking for where God is moving in my life and circumstances. The encouragement to take risks resonated.

I found Father Chris wonderful in the Mass and talk: he has a deeply spiritual presence and wise, inspiring insights and guidance. Kate's talk was very inspiring; I felt myself deeply touched by the Blessed Sacrament.

Everything was very helpful you can not faulted anything you can see the move of the Holy Spirit.

All was really helpful

It was a beautiful morning which left me refreshed and hopeful.

Just carry on with brilliant homilies and joyous music.

It is inspired by the Holy Spirit and touches me every time

I like the way you do things and cannot think of any improvements

I found the prayer line ministry very good and they were definitely Spirit filled and the prayers were so profound.

It was just such a blessing to have others pray for me.

Being prayed with personally is such a privilege.

Just keep up the good work and I hope to continue joining you each month - and to see the prayers for me answered.

Fr Chris' talk was amazing - I love his personal input & ability to share to give us all hope in our own lives & worries Thank you
