A wonderful day, enjoyed all especially Ros's talk

First day here. It was wonderful. Praise God

It was a lovely retreat, well-paced and with lots of different parts to keep me engaged. I loved the worship music and all the talks and the testimony - all very inspirational. I also loved the many references to Scripture.

Ros was an excellent speaker and I was greatly encouraged.

Feeling joyful afterwards

How wonderful, how blessed we are. Thank you Ros, for such an enlightening and inspirational talk. Thank you Michal for your testimony. What a wonderful morning. I'm full of Wonder for the Lord.

What a great way to spend the morning. God bless you all!

So beautiful and enriching. Such a blessing to be able to participate online for those of us who can't attend in person. The whole day and all the sessions was incredible. Appreciate most of all, the Mass, Adoration, talk and prayers by Ros. What a day!

Thank you for putting this together. God bless you all richly.

Michal's testimony was so beautiful, responding to God's prompting and living a simple life leading to so much joy. Talk and prayer were surely touched by the angels, I've never heard her speak so powerfully. It was so inspiring, a real compelling talk worthy of many viewings.

Thank you to everyone involved in this morning's session. Feeling blessed and refreshed. God bless you all.

It was such a blessed day from start to finish. the Mass exposition of Blessed Sacrament set the tone for the day. The most powerful word I got was Alastair's "being present to the Lord." So often I find myself distracted by other things! So I have committed myself to try in everything to be present to the Lord.

Thanks for a very inspiring morning.

Thank you for a very blessed morning. God is to be praised and adored! Your prayer for us all Ros was truly blessed.

Thank you all for a grace-filled morning and especially Ros and Michal for their inspiring talks. May the Lord continue to bless you all in your ministry !

WOW! Outstanding Ros. Amen and amen to your fab prayer at the end, but before all that "Thank You Father" for answering our brother-in-Christ Alastair sprayers for Ros, to the max. Also thank You God for Michal's awesome and very encouraging testimony. I SO identify with her phrase "ONGOING BROKENNESS" - perfect for a "Work in Progress" like me!

Today was marvellous and the speaker extraordinary.

All Glory to God and thank you to Michal may God continue to keep nudging you

A beautiful testimony Michal! So encouraging....

An inspired morning all round!

The adore day was amazing thank you Jesus.

The testimony with Michal and Ros Powell' talk was brilliant.

In the week while in prayer the word of God from Ros Powell and the sharing was some of what I got too. Thank you, Holy Spirit.

All of it was helpful! Also the Words of Knowledge - it was as if Jesus was telling me He was aware even of me being there.

It was an extraordinarily powerful and anointed morning - every component beautifully flowed resulting in what seemed such an elevated experience.

So grateful to be able to log on even though late. I intend to catch up when it's available.

I found Michel's testimony very helpful and sincere.

The whole morning was helpful, in fact delightful

it was all helpful it is obviously not easy to do prophecy by zoom but it went ok

Everything was edifying

There is nothing that I can identify as less helpful

Mass was great I felt the Lord's presence viewing the Mass

Everything was done very well

The prayer ministry are in tune with the prompting of the Holy Spirit. Thank you God for using my brothers and sisters in this ministry. Come Holy Spirit and just touch and bless them all.

I've used the prayer ministry and found it very helpful and full of faith.
