

ADORE AUGUST 2024 TESTIMONIES OF THANKS

This group is so special. I am so grateful to be part of it, - sharing of folk with such deep, committed faith.

I know that it is definitely where I need to be today as I have joined today in response to a prompting from the Holy Spirit, as Our Lord has constantly been speaking into my heart since joining.

I was very moved by the prophetic sharing and always think how wonderful it is that the Lord speaks to us in a unifying way. How the Holy Spirit unifies his message to us. Praise be to Him!

This is my first time joining you. I hear the Holy Spirit saying 'Why did you wait so long to take up the invitation?'

My first time with ADORE. Absolutely inspirational. Thank you Lord

Thank you for your spiritual advice God bless you abundantly for being the seed grower in our hearts

Thankyou so much for this deep infilling - may all our hearts stay fuelled by the power and love and fire of holy spirit to go forward with JOY: Jesus ,Others, Yourself. Glory to God

Thank you. Your ministry is a joy bringer in every way. Wonderful.

Thank you so much everyone.

I am so glad to have heard your talk Maria Heath! It is just what I need to hear at this time. I must persevere, read the Bible more and stop losing heart. God is still in me, He hasn't given up on me and I haven't finished my work. I must believe and stop back-sliding. It's too easy to give up. I should take that as my sign to persevere.

I didn't know what to expect but somehow I knew I had to attend - and trust me, many things happened that made it harder than it should've been. It felt like it all made sense and I could feel the Holy Spirit.

I thoroughly enjoy everything about the day

I found the background pictures to the songs during worship good, and as usual people's stories of God in their lives helpful. One prophecy about Jesus being at the centre of the Church touched me. (He is, even if we don't always realise it)

It was good and interesting

It was a beautiful morning. Maria's talk was precious, it was a powerful witness to the way God can use our vulnerability

The Mass was beautiful. It felt as if I were physically present, also thanks to the reverence with which the lady responded in place of all of us.

As regards Adoration, it was an intimate encounter with Jesus, even though I do not have the gift of prophecy or tongues.

The testimony was interesting and pleasant to listen to.

Father has a great way of preaching. I thought the talk was great encouraging and challenging. and Maria came across as an easy to relate to person.

ADORE AUGUST 2024 TESTIMONIES OF THANKS

The talks are very inspiring and helpful

Father's sermon was very good. Maria Heath explained very well about the fruits the spirit, Adoration was lovely but not long enough. Prophetic sharing was ok.

Always good to hear fresh perspectives

Witness testimony is such an important way of sharing the faith. I also found Maria's talk inspiring - about how the Fruits of the Spirit fill us with the grace to develop Godly habits to pass on and share with others.

I felt God's presence and healing power

I have felt quite isolated recently. I was filled by the Holy Spirit over fifty years ago and given the gift of tongues. This meeting gave me a lot of joy because the Holy Spirit was saying to them what it says to me.

Father Gareth's sermon was wonderful. He made a really good point. Maria was also great. The worship part of the zoom is reassuring and prayerful.

It was just like attending live to the conference

it's wonderful how the team are in tune with each other through the Holy Spirit

It was such a wonderful mini-retreat, and I want to thank you for the inspiring talk by Maria.

What a blessing this morning has been. Thank you everyone who has made it possible. May God Bless you all.

Thank you for this morning. I knew Our Lord wanted me to join and it has been incredible. He has ministered to me but even more to a lady he has put on my path this week. To God the Glory!

Really appreciated hearing the testimony

Another inspirational morning, thank you!

Thank you for today. I am struggling with my life-long faith due to current personal crosses

Wonderful testimony from Maria Heath... Very inspiring.....

Thanks to all.

Thank you for a wonderful spirit filled morning. God Bless

God bless all. Thankyou for today. All the efforts of Alastair and Adore all the helpers and speakers

Yes, thank you Alistair and all those who bring ADORE to my screen!

Format that works

The morning flowed so well.

I thought it was all great

The prayers were wonderful, profound.

It's just brilliant as it is

I love the format of the meetings, I learn something at every meeting. Thank you for all your hard work and for allowing me to take part

I find the meetings very encouraging

I love it and wax lyrical about the ministry all the time.

I do like prayer ministry and every time I use it, I just allow the Holy Spirit to lead them in praying for me and it's incredible

I once used the telephone prayer ministry and was prayed for with faith and authority. The pain left.

The prayer phone call still makes me so happy. At 82 I received a new zest for life and assurance God loves me and Jesus is with me.

The prayer minister prayed wonderfully for me.

Just appreciate being with people who love Jesus

Alastair's singing is simply beautiful. Thank you Alastair.

Inspiring as usual and providing a much needed spiritual recharge.

I've been attending the meetings since the start of this year and find them very helpful overall.

The speaker Maria Heath was excellent. As she was speaking I knew within my spirit that this is what the Holy Spirit wanted to be said.
