### **PROPHETIC WORDS GIVEN AT ALTON DAY OF RENEWAL**

*Prophecy isn't primarily about telling the future. It's essentially giving us current insight into God's plan and His Word, calling us back to what's already been revealed in public revelation. The Catechism of the Catholic Church states that although "Revelation is complete, it has not been made completely explicit; it remains for Christian faith gradually to grasp its full significance". (CCC66) Prophecy encourages us and reminds us of the heart of Christianity: of God's love, His mercy and forgiveness through Jesus and His presence with us through the power of the Holy Spirit.*

*The following words were given at Alton Day of Renewal, and we believe they are from the Lord. But they will not all be relevant for everyone: you need to pray to the Holy Spirit for discernment about whether God is speaking to you personally about something. We hope you find them inspiring, encouraging, or comforting. Although we have prayed and discerned that they are in line with Scripture and the teaching of the Church, please bear in mind that "Private revelations.... do not belong to the deposit of faith. It is not their role to improve or complete Christ's definitive Revelation, but to help live more fully by it in a certain period of history." (CCC67)*

### **ALTON DAY OF RENEWAL WORDS OF PROPHECY 26/10/2024**

#### **First Word**

I have a scripture from Revelation Chapter 3, verses 7 and 8. "Here is the message of the Holy One, who has the key of David, and when he opens the door, no one can close it. And when he closes it, no one can open it. I know about your activities. Look, I've opened the door in front of you that no one will be able to close. And I know that though you are not very strong, you have kept my commandments and not disowned my name."

#### **Second Word**

Just before I came into the Mass, I asked the Lord if he had a word and he actually gave me the Our Father. And during the Adoration time, I felt that I had a picture and I will try to describe it. He was saying that at this time in the shadows of uncertainty over the earth, he's calling us to be his light, and he said not to be discouraged because he is with us. And then He gave me this picture and it was absolutely beautiful: I saw each one of us with our heads against his shoulder, cheek to cheek with him and we could hear his heart and his arms were surrounding us. But we were within the most exquisite radiant light you've ever seen and the Lord is saying to me, "This is the light that I want you to bear to the world. Do not be afraid. Do not be discouraged in these times. Do not lose hope because I'm always with you and my arms are always surrounding you."

#### **Third word**

What was just said really resonated with what I also received. During adoration, I just got a growing sense of a sunrise but it didn't stop. it just carried on rising and just encapsulating the whole sky, the whole area and Scripture came to mind: "For you who revere my name, the son of righteousness will rise with healing in his wings." (Malachi 4:1-2) And just a sense that the Lord was all-encompassing, all-surrounding and a sense that his healing was present in his presence all the time, all the time. And

to just encourage everyone in that. And then I got another scripture "As surely as the sun rises, he will appear and he will come to us." (Hosea 6:3).

And I got a sense of somebody, possibly two people, who are struggling at the moment with an interior struggle, and the Lord was wanting to lift them up out of that - they didn't need to carry that. And that scripture was for them. He was already there waiting to take it from them and all they needed to do was just look up at him and his healing presence was there, ready to take that from them.

### **Fourth word**

"I have come that you may have life, life in abundance'. Do not squander it, meaning treat yourselves and the life within you with respect and honour. Treasure your life as a gift from Me. Dwell on this truth, savour it and thank Me for it, it is of inestimable value. Don't throw it away as some would have you do, in these times. No, belong to Me and I will look after you till the end, the natural end of your life."

### **Fifth word**

The Lord gave me this reading from St. Matthew in the middle of the night when I was awake, but it's the same word that he gave me in the time of silence in the prayer meeting that we held in our house last Wednesday and it's: "Do not be concerned about the ones who kill the body but cannot kill the soul." I had this word in the New Dawn conference years and years ago when the Lord gave me the words "I weep for the heart of a child." We understood that the Lord wanted us to do something against the massacre of the unborn babies... I think the Lord wants us not just to pray but He needs action.

### **Sixth word**

During the Adoration, I felt the Lord was reminding us that he's outside of time and space. And then I've written, "I reach into your future now to bring healing and restoration. Do not underestimate my power: it transforms, heals, restores, renews. I bind up the wounds of the broken-hearted. Come, do not be afraid to ask for what you need, because I am the God who heals.

### **Seventh word**

My one ties in very much with what you've just said. It started with thinking about how we'd been having a few problems, with the visuals from Rome and the adoration looking blurred initially. But then I thought, no, hang on! We're taking so much for granted. You think back a few years, we'd never have been able to have a meeting like this and have Mass from Rome and Adoration from Australia and all these amazing things! And I felt the Lord saying this: "I have given you so much, yet you take so much for granted. I delight in your thanks and praise when you recognise my work in your lives. And there is so much more that I long to share with you, yet you resist my grace and my gifts. I invite you to surrender yourself ever more deeply to my love, my mercy, my power to work in you and through you so that others may also share in my love and forgiveness and healing.

## **ADORE PROPHETIC SHARING OCTOBER 2024**

### **Eighth word**

I've been a bit distracted this morning due to the dog being not well. But I felt during Adoration, God saying, "Lean not on your own understanding. Whatever you ask in my name it shall be given you for the glory of my father. Knock and the door shall be opened to you." And then the other thing was when I was looking at the monstrance, just looking really closely, I seemed to be fixated on the centre of the monstrance and the fact of the circle, which sort of made me think of the Trinitarian relationship, Father, Son and Holy Spirit, that continual going round. Then it was all the rays and it seemed to me that, from that relationship, those rays of light were going out to the world. Which did seem to pick up with what other people have been saying.

### **Ninth word**

"Stretch wide your arms to all as I do. Invite everyone in. Let all of you be filled with My love for the other, good and bad alike."

### **Tenth word**

"I shine out to you through the Monstrance. Know My presence when you come to spend time with Me. I am with you. I am beside you. Give all glory and honour to Me."

### **Eleventh word**

Fr Tony's monstrance was coming in and out of focus, but came back into focus when Fr Tony walked behind it, and the thought came: this is like the way one's faith comes and goes but with God behind us, he comes in to focus.

### **Twelfth Word**

"Do not worry for I am the light of the world, the darkness kneels before me. I am kind, gentle and compassionate like the Dawn in the morning."

### **Thirteenth word**

Although there was an initial problem with Adoration, Christ was still visible in the blur.....and then when adoration came from Melbourne one side of the monstrance was brighter than the other, telling us that Jesus is ALWAYS with us however dark life may be. "Trust in me."

### **Fourteenth word**

The candle/lamp on the left of Fr. Anthony kept appearing and disappearing during the Mass, and it made me think that is how we can experience the Light of Christ. Sometimes, it seems as if He has disappeared completely, but in truth, He is always there. The same was true of the image of Our Blessed Lady behind Father.

### **Fifteenth word**

During Adoration, I heard the words "The Son is like the Sun, the ever present Light."

### **Sixteenth word**

During Adoration I received the clear message, "Be still. Don't fret. Keep praying." At that moment my heart was praying for the return to Faith (conversion) of my family, and for Peace in the world.

## **ADORE PROPHETIC SHARING OCTOBER 2024**

### **Seventeenth word**

John 8:12 Jesus said 'I am the light of the world. Whoever follows me will never walk in darkness, but will have the light of life'.

### **Eighteenth word**

“Try to realise that your own prayers are being most wonderfully answered. Answered in a way that is painful to you, but that just now is the only way. Make my will your only will, then my will guides you.”

### **Nineteenth word**

Isaiah 62:1 “Arise Shine! for Zion’s sake I will not Keep silent.” Jerusalem, in your light nations and people will be healed. To the ends of the earth your word will reach out to reveal God's glory before all eyes. I want you to be holy as I am holy said the LORD.

### **Twentieth word**

“So I prophesied as he commanded me, and breath entered them; they came to life and stood upon their feet- a vast army.” (Ezekiel 37:10.) I really feel that God wants us all, in all churches and of all denominations, to `prophesy' these words. Just as He commanded Ezekiel.
