

ADORE OCT 2024 TESTIMONIES OF THANKS

This was a wonderful session as always. I can't express my thanks enough. The Mass was beautiful... Adoration was especially moving. I had no idea that there were places in the world where perpetual adoration was available online. I'm in awe of the prophecy which always seems to be so very pertinent. Lawrence sang beautifully. It is always helpful to hear testimony about the faith journey of us and very humbling. Joe was a titan of faith and I feel privileged to have been able to hear him. His message is much needed. All in all, a wonderful session.

Thank you, God bless. Started this am feeling down, now lifted up holding all in my heart with Jesus, wonderful testimony and prayer. To God be the Glory, prayers answered too for 2 of my children 2 months ago praise God.

Thank the Lord for Joe's healing ministry and thanks to everyone involved. God bless you all.

Thank you for sending me the invitation to join the zoom service. It was a good experience and I was particularly touched by Joe Livingstone's testimony and preaching. Hoping to attend more of these services in the coming months.

Joe was as brilliant as ever. Many of the prophecies were as if they were spoken directly for me! All thanks to you and your dedication.

We thought ADoRE yesterday was excellent. Joe gave a really amazing talk, what an anointed man. I felt that I had received a great spiritual healing yesterday, praise God. Everything went really well.

At the end of the meeting I truly felt as if I might be completely healed of the pressure in my chest (which I've had for over a decade.) I'm not, but I do feel really different. I also feel my faith hugely revitalised and have yet again been reminded, that, even when I don't feel it, it's happening and He is there!

I genuinely feel that these meetings help me to change my life. At the moment, I am recovering after surgery and being able to attend Mass was amazing.

I loved hearing Joe's healing talk. He's so passionate and in love with Jesus of Nazareth and trusts in His love wanting to heal people and set them free.

I found the story Fr. Anthony shared about Luke coming to faith wonderful! I was deeply moved by the testimony - especially the miracle of her daughter's sight being restored. I liked the prophetic sharing that said 'God is answering your prayers even when it feels painful.' I found Joe's talk fantastic: so moving especially the part about Jerusalem ...His whole energy and authority and certainty was awe-inspiring. I found the healing incredible! There was so much power and faith in the atmosphere....I feel as if something has shifted on a profound level after this meeting ...

The praise and worship was joyful and Joe's testimony and praying over us was both moving and powerful.

I found this very encouraging.

The whole experience of the ZOOM meeting is very comforting and keeps me feeling alive and well in the Spirit.

ADORE OCT 2024 TESTIMONIES OF THANKS

At first I found Joe overpowering but as his talk progressed I thought what an amazing man

Inspiring to have a greater insight into all types of healing

I really look forward to joining Adore every month. Its just very uplifting would not miss it. The move of the Holy Spirit is incredible

Superb session with Joe. I loved his down to earth manner

Mass & adoration a perfect prayer

The talk was very powerful indeed and made me realise my lack of faith at times. I can only ask God to help with this.

Joe's prayer of surrender: so hard to fully let go of being in control. It's a lifelong journey and with God's help I'm working at it.

Follow up prayer by phone is always good.

Focused the mind on the need for fellowship amongst Christians for comfort and solace

Mass is always a precious gift. The live permanent Adoration from Australia was proof that Our Lord is always with us, and distances don't matter at all.

My soul got lost in Lawrence's gentle music and voice; the words reached deep down in my heart. Beautiful!

Joe's Testimony, talk and prayer time were riveting. One could feel faith, love, unity, the presence of Jesus. A truly beautiful and soul-enriching experience. Thank you, Alastair.

I just thought Joe's talk was inspirational. Such a talented gifted speaker!

The balance of the morning content is good

There was nothing that I found less helpful

The sharing was very positive for making one feel grateful

I found something helpful in every part of this meeting.

Thank God for our companionship! Thank you for your perseverance in continuing to present this morning of Renewal!

Usually meetings are excellent in all ways deeply spiritual bringing one closer to Christ and our lady.

I love every meeting, although my soul found that this October meeting was one of the best I attended.

The talk on prayer was helpful

Just to say thank you to the Team of Adore

I thank God for your continued faithfulness in putting this on each month. It's marvellous.

A lovely session, thanks.
