

ADORE NOV 2024 TESTIMONIES OF THANKS

I loved Patricia's testimony....so inspiring and encouraging for other folk to indulge in action, not only prayer. Also Allegra's talk was so good.....very strong, powerful, important, and gentle, direct, clear. I'm so glad I could hear them. In general, I find talks are far easier to retain if kept short, the key messages left in your mind. Rather too short than too long. I once heard a talk and it was a short talk, then just a brief 5 min recap on the most important points to remember - so helpful. (sometimes our minds need to hear things more than once!) Thank you for all you do.....such a good programme to have! Folk don't know what they are missing out on.

Allegra's talk was fantastic!

Testimony was encouraging. Always pleasing to hear how the Lord draws people in and on. Allegra speaks with authenticity, not hiding her own weaknesses, but giving good value in terms of ideas, shared experience, and encouragement to evangelise. Liked the bit about Bernardette and the cardinal - I'm here to give u a message, not to convince you!

I just found what I was able to see and hear wonderful

My house just seems to have soaked up what I missed. It feels peaceful. What I took away was Allegra going along with her sister to Baptism in the Holy Spirit with such an openness. She was clearing being led there. Brought it home to me to listen more to promoting from The Holy Spirit. Thank you all so much.

Allegra's talk was so anointed, beautiful, thoughtful, real, honest shared with so much integrity

I do not think, at 81, that I have ever been so moved by a talk, profoundly. Certainly it stirred up the Holy Spirit and said everything that needed to be said on Being Witnesses.

Allegra's talk was particularly helpful, especially the bit about how to prepare a testimony

Testimony and talk always uplifting and good to be encouraged further.

Spoke to me , made some things clear to me

Talk very good found this very helpful and informative

I always feel uplifted and enriched by the Adore prayer meetings.

Always enjoy the focus of the mass, adoration and talks.

Praise and worship

Overall I'm glad I attended. A nice way to spend a Saturday morning

Allegra's talk was very good and full of practical advice and ideas. I just need to 'do' it.

Allegra's talk was very helpful and confirming. The need to evangelise well is so needed for us today in this country that seems to have lost its way.

It was all helpful

I love these meetings and I would not change a thing

Keep as is, but I do enjoy the testimonies and talks.

I think the Adore meetings are good, and I enjoy the confidentiality aspect .

Last month prayer ministry changed my life for the better.

The person understood the healing necessary and prayed appropriately. I remain on Jesus's lap being comforted

Very blessed by the prayer ministry.

In the October session, I got healing for dryness in the mouth. This has improved.

Thanks to Alastair and team for all they do to make the meetings run smoothly, despite some technical problems on Saturday

Thank you for making this available
