

## ADORE TESTIMONIES OF THANKS – JANUARY 2025

Thank you - an inspiring testimony and talk and faith nurturing morning. God's Blessings on everyone

Hello team, To tell you that what you do saves lives is not an exaggeration. My deepest and sincerest gratitude to you all for all the blessings which flow forth from your work and dedication. Christ is King,

Today was the third time I had spent a morning with ADORE and I really feel that this is the way the Lord is leading me. I thought Daniella was a beautiful person inside and out. She is a very gifted speaker and I was so glad to hear what she had to say, thank you. God bless you and all the CR team.

I found the Mass intimate and prayerful. The Adoration gave me a time of contemplation, I began to feel in the presence of Jesus The prophetic sharing was very interesting, hopeful, re-assuring especially about trusting in God and not being afraid of all that is going on in the world. The words for healing were meaningful. The first was for someone who had pain in their left knee. I have just had a left knee replacement and am struggling with the constant ache and pain. I felt much loved knowing somehow this pain was acknowledged.

The testimony by Precious was helpful because she never gave up hope and her prayer was answered. Also I found the talk by Daniella very good because she spoke with such conviction which shone through and I found it so inspiring and uplifting. I was hanging on her every word.

Actively seeking to use any gifts that have been given, as well as seeking more gifts. Also good to pray for a new infilling of the Holy Spirit at the end of the talk.

Excellent witness from Precious and really inspirational talk from Daniella - both superlative!

The whole morning was very inspiring, the testimony was incredibly powerful and faith-building. The Talk was so spiritually exhilarating and thoroughly animating.

The talk by Daniella was very powerful and reassured my faith in God even in trying times

God spoke into my heart

Daniella Stephen's talk was wonderful - it really hit home to me and I felt she was talking to me personally. It gave me hope as I have been struggling lately with my life and problems. I could listen to this girl every day - she is a great speaker and she really understands life and its problems. Wonderful, wonderful talk and prayers. Thank you

Thanks for today, especially Precious for her testimony, and Daniella for a great talk.

Thank you to Precious for her wonderful Testimony, and many thanks to Daniella for her inspiring talk, giving us all hope and encouragement in our lives, particularly when the going gets tough. God bless you in your work for Him.

## ADORE TESTIMONIES OF THANKS – JANUARY 2025

I am noticing that the more I open myself up to the power of the Holy Spirit the better the talk and worship resonate with me. I appreciate all the effort the organizers make to open the forum for me who lives across the Ocean.

Adoration, praise and worship, prophetic sharing, talk and prayer by Daniella.

Daniella's talk was particularly inspiring and I will be sharing the recording with others.

I enjoyed the whole morning.

Everything about ADoRE seems to be going in the right direction - I will endeavour to share the many blessings of the Retreat with others and publicise the event more widely amongst friends

Keep up the great work and carry on this very successful and blessed ministry

The length is good, and so is the format. There is a lot of Christian outreach and inpouring of the Holy Spirit at this time. People are 'searching 'and word and mouth advertising is usually a positive approach.

Thank you for the Mass and prophetic sharing. God Bless all.

Today My Spirit gently pushed me to ADORE and I encouraged my wonderful husband to join me and I thank God for doing so. Thank you for all that you do.

Wonderful Prayer & worship. Fantastic choice of songs. Beautifully prayed & sung

Super talk, thanks

Wonderful talk, thank you

Daniella, your sharing was very powerful. There are times when you feel that God is not listening, but what you shared about that little girl's healing was so touching and made me cry, more importantly it has renewed my faith in the Lord. Thank you.

Wonderful talk, a real blessing

Daniella, thank you for your courage, energy and commitment. It gives me great joy that the Lord is using young people so powerfully. That in itself brings so much hope. God bless you
