**'We cannot help speaking about
what we have seen and heard.'
(Acts 4:20)**

There are so many great works of God happening in Renewal at the moment-praise God. The events, days of renewal and festivals listed below build faith and help us see the Lord at work in the lives of His people. Please do come along to as many as you can. It's an exciting time, as the 'current of grace'. which is Catholic Charismatic Renewal. celebrates its 58th anniversary in February 2025.

Do spread the word and let people know how they can have their lives turned upside down by the Lord who is alive, who loves each of us and whose mercy is everlasting. In this way, we can be *"like a tree*

***planted by streams of water, which yields its fruit in season and whose leaf does not wither-whatever they do prospers. "* (Psalm 1:3)**

AD+ORE 50th JUBILEE
2025 THEME: PILGRIMS OF HOPE
Pathway to the Holy Spirit

The Holy Spirit
is our Guide

HE EQUIPS US WITH CHARISMS
TO SERVE OUR FELLOW PILGRIMS

Mini-retreat for spiritual renewal 22nd February on Zoom
Mass; Adoration; Prophecy; Praise; Prayer; Talk by Gerry Penfold

Register in advance at bit.ly/ADOREFEB2025
More information from www.altonrenewal.com

On 22 February, **10.00-1.00** on Zoom, the AD+ORE mini-retreat for spiritual renewal will focus on the next stage of their Pilgrimage of Hope: **"The Holy Spirit is our Guide."**

The Holy Spirit is vitally important on our pilgrim journey. He is the powerhouse of the Church's ministry. Baptism in the Holy Spirit - encouraged by Pope Francis - is the key to understanding the Holy Spirit as a person, an advocate, a practical helper, who sanctifies us and equips us with charisms to serve our fellow pilgrims.

The keynote speaker is **Gerry Penfold**, leader of Called and Gifted UK. Gerry will explain how Called and Gifted is a spiritual journey that helps you understand your own calling and identify the specific charisms that the Lord has given you to share with others. It is firmly rooted in the teachings of the Catholic Church and Sacred Scripture.
