

TESTIMONIES OF THANKS – ADORE JULY 2025

The talk was particularly inspiring, with very clear points made and as it happens, very relevant to what we will be talking about in our prayer group this week. Thank you John!

Other people's testimonies are always helpful. John's talk was affirming and what remains with me from both speakers is that God is always with us, rely on Him, talk to Him/pray constantly.

The talk really struck me where it hurts! I made use of the prayer line and I am aware now (through everything that I've just heard) that I need to attend the Sacrament of Reconciliation.

As a whole experience, it was very uplifting and faith-building

Talk particularly helpful

What John said was good. Adoration is helpful as we never have it in our local church.

Adoration - confirmed what I had been thinking about

John gave an amazing and inspiring talk on forgiveness it was awesome

Antonia's testimony was very encouraging, to see how the Lord draws people to himself and how valuable to share our testimony in leading others to Christ.

John's talk was so pertinent to the process of forgiveness I have been going through after separating from my husband and the appreciation I have for the new hope and joy I have in the Lord.

The talk by John was great - I was trying to scribble down notes, but couldn't keep up! Look forward to being able to listen again.

Mass and Adoration very uplifting

John's teaching was very helpful, I'm going through painful time with my siblings and have to keep forgiving, so this was very timely.

There is always some little thing one hears that "hits the spot". Different each time.

Talk was very inspiring.

John's talk was inspirational and the whole morning flowed from the Mass to Quiet Adoration and then the 'action' after the break.

Keep up with what you are doing.

I was affirmed in my decision to ask for prayer and rewarded by the prayer I received.

Prayer ministry was very fruitful and Holy Spirit led

Thanks for all your commitment & hard work
