PROPHETIC WORDS GIVEN AT ALTON DAY OF RENEWAL

Prophecy isn't primarily about telling the future. It's essentially giving us current insight into God's plan and His Word, calling us back to what's already been revealed in public revelation. The Catechism of the Catholic Church states that although "Revelation is complete, it has not been made completely explicit; it remains for Christian faith gradually to grasp its full significance". (CCC66) Prophecy encourages us and reminds us of the heart of Christianity: of God's love, His mercy and forgiveness through Jesus and His presence with us through the power of the Holy Spirit.

The following words were given at Alton Day of Renewal, and we believe they are from the Lord. But they will not all be relevant for everyone: you need to pray to the Holy Spirit for discernment about whether God is speaking to you personally about something. We hope you find them inspiring, encouraging, or comforting. Although we have prayed and discerned that they are in line with Scripture and the teaching of the Church, please bear in mind that "Private revelations.... do not belong to the deposit of faith. It is not their role to improve or complete Christ's definitive Revelation, but to help live more fully by it in a certain period of history." (CCC67)

ALTON DAY OF RENEWAL WORDS OF PROPHECY 25/1/2025

First Word

We heard in the gospel reading how St Paul had this amazing 180 degree transformation from being totally against to totally for Jesus and this gives us all hope for the members of our families who are totally against Jesus. And I felt the Lord just saying: "Trust in me, you will see many amazing things in the coming days."

Second Word

We were at Walsingham New Dawn in August 2001 and for the whole week the Lord was saying: "I weep." Jesus weeps. Of course he was weeping for my sins but I was led to Luke 19 (41-44) when he wept on the steps looking towards Jerusalem. That was August, then we had 9/11. And I was horrified when I went back to read that the scripture said not one stone will be left on another. In the first week of this January, the same word came back to me: Jesus weeps Jesus weeps. And of course, we had the fires in Los Angeles and those beautiful mansions in Malibu, a symbol of the glory of America, they went down. And I don't know if you noticed the American flag was burnt and torn.

Jesus weeps. And Jeremiah looking towards Jerusalem, pleading with them to give up the parties they were dancing and rejoicing. Jesus says: "Acknowledge me, because if you do not acknowledge me, I will not acknowledge you." He's saying this today to each of us.

Third Word

I had this word on Thursday and after what was said just now about our children, this seems very appropriate. "I hang on the cross for you but you do not listen to what I say. Reach out to those close to you. Tell them I love them. Tell them I'm calling you to pray for them. Pray for them to come back to me every day and leave it in my hands."

ADORE PROPHETIC SHARING ALL 2025

Fourth Word

I sensed the Father saying, during adoration: "You cannot grasp the enormity of my love for you with your minds, I call upon you to embrace it with your hearts."

Fifth Word

In Adoration, as the camera zoomed closer, you could just see the feet of Jesus behind on the cross. I had a great sense we were all sitting there at the feet of Jesus. Then I just had the words "Place all your problems at the foot of the cross." Then the glory of the adoration there, that was his glory, and all the problems were at the foot of the cross and he'd taken them all from us, he'd taken our burdens with him.

Sixth Word

That reminds me of a video I watched yesterday where somebody was talking about laying all our burdens at the foot of Jesus, at the foot of the cross and when we come to adoration, that's the first thing we need to do. Lay all our concerns, all our burdens, all our distractions at his feet so that we can then just concentrate on him, focus on him.

The word which I got this morning, which is very similar to what we heard earlier, I felt the Lord saying to me: "I delight in your worshipping me from the depth of your heart because then I can fill you more and more with my presence, my peace, my holiness, my forgiveness and my perfect love. Ask the Holy Spirit to give you a deep abiding desire to worship me." That's a prayer which I pray for everybody here. I feel we just need to worship Jesus more and more from our hearts. And then he will give us his knowledge, his wisdom, his heart, his love, everything of himself. That's how things will happen and things will change. Not first of all from us doing things, but from us worshipping him and then going out in the power of his love to do his will.

Seventh Word

This goes with laying down our problems as we were sitting at the foot of the cross. I just had this image of Our Lady. It was through Mary that we came to sit at the foot of the Cross. And it was a very particular image, basically the image of the miraculous medal. And I'm hearing this: "Just trust in Jesus everyone that needs converting will come back through me." Miracles will happen through Mary.

Eighth Word

You wanted prophecy. Now, years ago, back in the early 90s when I was at the charismatic meeting in Westminster, a nun prompted me to get up and say the following. So I'm going to repeat it now to another audience. "God does not wish the world to be destroyed by nuclear power." And following that, I felt there is not a lot of time left. I spoke in the 90s and I felt there was 50 or more years left to the return of Christ.

Ninth Word

It's amazing that I had this word just a moment ago In view of what was just said. And that was: "Do not worry about what is happening to you or in the world. You do not see what I see or think as I think. But be at peace. Shalom. And trust me to do everything that is needed in every situation."

ADORE PROPHETIC SHARING ALL 2025

Tenth Word

This morning, I bumped into a reflection which said, "Are you aware of God's presence in your daily life? Do you spend time with your saviour who desires deeply to spend time with you?" So I'm happy that at least through this adoration it has helped me.

And then I realized the reflection was done by the Venerable Fulton J Sheen, who was a Bishop in America. It went on to say, "God walks into your soul with silent step. God comes to you more than you go to him. Never will this coming be what you expect. And yet never will it disappoint. The more you respond to his gentle pressure, the greater will be your freedom."

Eleventh Word

"I am the Way, the Truth and the Life and I am the Best Friend you will ever have in your life."

Twelfth Word

"Whenever you turn to Me in trust, I play My part and give you what you ask for. Needy people, as you are, follow My lead in relying totally on Me for everything. I build you up, restore you to yourselves when you fall and comfort you when you feel lost."

ALTON DAY OF RENEWAL WORDS OF PROPHECY 22/2/2025

First Word

I felt we were being reminded that Jesus is the king of kings and that all our leaders are fallible human beings. And I felt strongly that the Lord wants us to pray for all leaders everywhere whether or not we approve of them.

Second Word

Luke 4:18 *"The Spirit of the Lord is on me, because he has anointed me to proclaim good news to the poor. He has sent me to proclaim freedom for the prisoners."*

Third Word

I'm going to read you a prophecy which I received about three weeks ago. It was when I was praying very much about the narrow road; we're all on the pilgrimage along a narrow road and this is what He said:

"Why are you so downcast, my dear ones, when troubles beset you?

So often I see your pain and confusion, asking yourselves why this or that has happened or why the rejection and pain. The day you walked through the narrow gate, I watched over you and the angels leaped for joy. I made a place for you in my own house and proudly displayed your name over the door. Now I walk beside you along the narrow road. jealously standing guard over you, carrying you on my shoulders when the going gets tough. The road you are on is the way of Jesus, who led you to the cross at Calvary, a stumbling block for those who do not believe, but for those who have faith, it is the highest power for it is the way of love.

"Your cross, which is your nakedness and poverty, makes room for the grace in you, room for the grace of faith. Your weakness, inability and helplessness become the cracks through which the grace of faith and love squeezes into your heart. The narrow road leads to love. Love is your ultimate destination. Love walks beside you. Love carries you on its shoulders. Love rescues you when you stray. Believe in my love, do not be discouraged, for I always want what is best for you. No matter the circumstances that surround you in these times, stand firm in the knowledge that I will allow only what is for your benefit, never what can harm you. Trust me like a child and surrender yourself fully into the arms of your father who so deeply loves you."

After I received that, the Lord gave me a picture of the vine that grows in our garden. It grows furiously in the springtime, but it has to be pruned right down in order to bear fruit in the summertime; the more freely it's pruned, the more bunches of sweet grapes it produces.

"Grafted onto the vine you're pruned down to the bare wood in order to bring forth the harvest of grapes, which is love; love of God and man, unselfish and radical."

Fourth Word

One of the things I do every day is write a gratitude list, including gratitude for all my faults and difficulties; there is nothing we cannot thank God for. But I've never before thanked God for my powerlessness, which I intend to do today. He's a beautiful God.

ADORE PROPHETIC SHARING ALL 2025

Fifth Word

During Adoration, I had a real strong sense that Jesus wanted us to reconnect with the origins of the church as we celebrate the Chair of St Peter. He also wants us to look beyond today into 2033 because that's when we celebrate [2,000 years since] his passion, death, resurrection and the birth of the church. So it's a sense that Jesus was trying to connect us to here when we're celebrating the first Pope, right through to 2023. But in that, I felt he was calling us to a new phase in our discipleship - to outreach, to fellowship and to Christian unity. I really have a strong sense that Jesus is asking us to pray much more intentionally each day for an outpouring of the Holy Spirit. Because it's only through the spirit that we're going to get new zeal, new ardour to go boldly forward as pilgrims of hope towards that second millennium celebration. And I really feel Jesus was asking us to wake up and pray more for the Spirit, so that we do go boldly forward to 2033 and rejoice in that 2000 years of church history and the birth of the Church.

Sixth Word

"Come, good people, come for I am truly present before you, to do you good, to lift you up to My throne on high. You see Me now in the simple form of bread and so I am. Receive Me into your soul (again) through the Holy Spirit, in the same way as you did just now, as Me present in the Eucharist, My gift of love to you."

Seventh Word

So what came to me just before Adoration started was Luke 10:2-3 "He said to them, the harvest is great but the workers are few. Therefore, ask the Lord of the harvest to send workers into his harvest." We really have to go out and get other people to have the same spirit as we have, not stay in our churches but actually go out. Then during Adoration, I remembered the words of the song by John Michael Talbot: "Come back to me with all your heart, don't let fear keep us apart. Trees do bend though straight and tall, so must we to other's call." That came to me very powerfully during Adoration.

Eighth Word

I was also struck by the shape of the monstrance – it seemed as if the host was like sitting in the chair of St Peter. And I just had this sense of our Pope being in that chair, speaking for the church: that he is as Christ speaking to us. And I had the sense of Christ saying, "I will be with you always." And he is always with us in the Blessed Sacrament, but also in our Pope as our leader and in our priests and our clergy too.

Ninth Word

Can I just say, if someone has a desire to learn a musical instrument, can they please message me directly and I will give them the word I've got for them.

I've also had what I think is confirmation of what was said earlier. "Look to the cross I'm giving you. Hold it out before you for all to see me. Subsume yourself so that you disappear into me. Let my people see me through you, your words, your actions. Speak and act always with love. You are mine forever. Take the salvation I offer out to others."

ADORE PROPHETIC SHARING ALL 2025

Tenth Word

I really needed to be here because, through everybody that's spoken to me, the Holy Spirit has really touched my heart. And all I've done is cry with a smile on my face. And the word that I've been given is: "Continue to do God's work in the ordinary."

Eleventh Word

The words I got during Adoration are: "Hidden in all of you are treasures of beauty that have flowed from a wooden cross. The pastures of grace await you. Come and take delight in the glory of my grace. You have been given the wealth of eternity: God has made you rich."

Twelfth Word

This is Jesus talking, I think. "My light shines before you, guiding your way and dispelling all darkness. Keep your eyes on me at all times, so that you do not stray from the path I lead you on. I am the way, the truth and the life. Receive my life deep within you so that I can transform you into my image and fill you with my eternal glory."

Thirteenth Word

James 1:22 "Be doers of the word and not just hearers, lest you deceive yourselves."

Fourteenth Word

Luke 12:10 "And everyone who speaks a word against the Son of Man will be forgiven, but anyone who blasphemes against the Holy Spirit will not be forgiven." With that word I got the Impression that our church, especially the Roman Catholic in the west, needs the Holy Spirit. Pray especially for the priests and also pray for the Peace of Jerusalem.

Fifteenth Word

To me the monstrance looked like a church building. Jesus fills the whole Church.

Sixteenth Word

During Adoration the lines from Micah 6 came to mind "This is what God asks of you, Man."

Seventeenth Word

During Adoration I saw a rainbow — and sensed the words "not like before". I also got the words "you will need to courage to discern the differences between us. Look at Jesus' courage and your own everyday courage." I then saw a book called "the courage to know the difference".

Words of Knowledge for healing

ALTON DAY OF RENEWAL WORDS OF PROPHECY 22/3/2025

First Word

I think what the Lord was saying was that when we evangelize, we have to listen carefully to the Holy Spirit and just be guided by him with who we speak to, because if we just do a “blunderbuss” approach, it's not going to work. Two scriptures came to my mind one of them was “Don't cast your pearls before pigs,” and the other one was about the 72 where they went out to evangelize and Jesus said “Don't stop in the towns that reject you. Just move on.” So they need to be focused on listening to the Holy Spirit.

Second Word

“Not by might, nor by power but by my spirit, says the Lord.”

Third Word

I just had the feeling that the Lord was saying: “I've broken the chains that held you down. Now, walk in my love.”

Fourth Word

"It is with honour I come before you today. I am glorified, risen and holy. Be present to Me now and throughout this day and every day so that I may reach into your heart and purify it. For My goodness knows no bounds and I give it to you. Mercy and faithfulness have met and I give you My Holy Spirit to teach you to love Me in return."

Fifth Word

I had a picture of someone who was trapped and they've tried to go that way, that way, that way, regardless of where they go. They feel trapped and regardless of what they do, they feel trapped And I just want to pray for my brother or sister who's trapped: Lord, I pray that they could totally surrender that situation, that's quite horrific, unto you. And I pray, Lord, that you'd give them what it takes simply to let go and let you do what you've got to do in their life because they're trapped because they're not releasing it onto the Lord. So I pray that release for each person who feels trapped. Amen.

Sixth Word

I sense the Lord saying: “Surrender to the silence of God's presence.” And he said, “There are times when I need you to be active and brave, and when your faith and prayers of intercession make all the difference. There are also times when I call you to sit with me beside the still waters. My dear children, never underestimate the importance of being still with me. It is in these quiet times that I can reach out deep into your spirit with an overflowing of my spirit. Come and sit with me and hand over all your worries to me. Come with no agenda other than to find rest and peace in me. And the scripture I got to go with it was Hebrews 4, verse 7. *‘God set another time for entering his rest, and that time is today. God announced this through David much later in the words already quoted: “Today when you hear his voice, don't harden your hearts”’ (New Living Translation)*

ADORE PROPHETIC SHARING ALL 2025

Seventh Word

I had a picture in which I saw people in a sailing boat. It was a boat with sails and a motor. They had planned their course and were enjoying the feeling of the breeze in their hair. I saw that the boat was out on the open sea but it was being powered by the motor, not the sails. The words I saw so clearly were “Unfurl the sails! Unfurl the sails! Unfurl the sails and let my Spirit steer the boat”.

I sense the Holy Spirit wants more freedom in our lives! Certainly true in mine! Don't be content with just the breeze in your hair for he wants to breathe a powerful wind upon you. Thirst for the charisms, seek prophecy, ask for the gifts of healing, desire for your hearts to be set on fire with an overwhelming passion for Jesus. Let's put on our dancing shoes & jump for joy! Don't plan the course, unfurl the sails and let him steer our boats! Don't be afraid of where he will lead for his wind is his breath of pure love.

Eighth Word

During Adoration, these words came: “Hope did not die with me when I was crucified. It was birthed in you in the glory of my resurrection. Cast your fears away and live out of that hope in the power of my spirit who keeps you strong, courageous and faithful to me, the way the truth and the life.”

Ninth Word

Yesterday and this morning, I've had that “How great thou art” song keep coming to me. Also, I felt Jesus said to me, “I thirst for souls to come to my fountains of living water and drink deeply of my goodness for the salvation of their souls and the whole world.” I also had “Come all you who labour and are burdened and I will give you rest.

Tenth Word

During Mass, during the homily, I closed my eyes to just listen a bit more deeply and I had an image of a very wide path that had no end. And to the right of me, right in front of me was a beautiful image of Jesus and he was holding his hands out like he'd been waiting for a long time. And then during Adoration the words that came to me were, “Love thy neighbour as thyself.”

Eleventh Word

“Peace. Peace I give you.”

Twelfth Word

First of all, just staring at the host, I got the word “simple.” And then he said “I come to you today. in the simple form of bread. My glory is hidden but it is here. I am also hidden in the people around you. As often as you love and help them, you love and help me, and my glory will be upon them. And upon you.”

ADORE PROPHETIC SHARING ALL 2025

Thirteenth Word

What really spoke to me is just a few simple words. “Do not be afraid for I have redeemed you. I have called you by your name. You are mine.” I absolutely love that hymn as well. And that just came to me.

Fourteenth Word

I have had this image of hands holding a rosary and the message that the Rosary is a real weapon.

Fifteenth Word

I received this at Communion: “Lift up your eyes Jerusalem for the King of Glory comes.”

Sixteenth Word

Heb 4:16 “Let us then with confidence approach the throne of grace. We will obtain mercy and, through his favour, help in due time.”

Seventeenth Word

“Comfortable silence” was a sentence I received - just sit.

Eighteenth Word

“We are all on a journey and as we climb a mountain the steps will become clearer to reach eternity in heaven; but trust in me and let go of your ways and surrender.”

Nineteenth Word

During Adoration - Malachi 4:2 “But unto you that fear my name shall the Sun of righteousness arise with healing in his wings.”

Words of Knowledge for healing

- Someone who feels threatened and fearful about the state of the world
- Someone who feels disappointed with themselves for not keeping up with their Lenten observances
- Someone with a bandage round their head who has had surgery and is frightened and anxious. The Lord Jesus wants to reassure you that He is your Rock and your Shield. He has you in His hands and you do not need to worry or be afraid. He gives you peace.

ADORE PROPHETIC SHARING ALL 2025

PLEASE NOTE: THERE WAS NO ADORE APRIL MEETING AND THE FEW PROPHECIES IN MAY WERE NOT RECORDED

ALTON DAY OF RENEWAL WORDS OF PROPHECY 28/6/2025

First Word

I felt the Lord was holding out His hands and saying: "Come, come, be like my mother Mary." And then: "Ponder anew what the Almighty can do," that lovely line from the hymn – to spend more time pondering than talking.

Second Word

I had this from the Lord: "My children, I want to reassure you of my love. In these times of darkening spiritual skies, have no fear for you are the apple of my eye. Do not bow down under the world's troubles, but raise your eyes to your Father in heaven and nestle under the protection of His wings. As storm clouds gather together, I will be the eye of your every storm. I will hover over you, protect you, and provide for you. My children, stand firm in me and in my love; be wise to the deceit and twisted lies that surround you, for my truth is in you and my spirit will guide you. As voices clamour for war and hatred stalks many streets. consecrate your lives to me and be my peacemakers; proclaiming the truth of my love to a fearful world so that, through my love & mercy, many will turn to me in repentance and be saved. Blessed are you when you spread my peace, for you will see my glory!"

Third Word

This is what came to me: "My dear people, sometimes it is necessary just to adore Me without any hope of any words from Me, just being in My presence and delighting in Me with you. This can produce its own fruit in your lives - answers to prayers unsaid, beauty and goodness in your lives."

Fourth Word

I thought the Blessed Sacrament looked like a large white searchlight, and it brought to mind the beginning of Psalm 139 "O Lord, you search me and you know me." Then I felt the Lord say: "Do not be afraid that I can see you always – be thankful that I watch over you as a good shepherd, always ready to help you and comfort you."

Fifth Word

That partly confirms the word I had, which was: "I am the light of the world, says the Lord, carry me into the world for others."

Sixth Word

I had a picture of light in darkness, looking up into a dark sky and then I saw this bright star and I asked the Lord what He meant by showing me this and He said: "Just keep your eyes fixed on me and I will keep you safe and I will be with you."

ADORE PROPHETIC SHARING ALL 2025

Seventh Word

I had this word from the Holy Scriptures: “Look at the fields, they are ripe for harvest.” This is confirmation of a project that we have to call teenagers to our church. The Lord means business, especially with teenagers before they are grasped by the media.

Eighth Word

Having just celebrated the feast of the Sacred Heart, there are so many rays of light going out right into the darkness. The world is quite dark at the moment and I just thought: “Trust in the Lord, surrender; I am in the centre, I am looking out, do not fear, do not worry, just give everything to me. I am the light in the darkness.” And I thought of Maximilian Kolbe, he was in a very dark place and trusted in the Lord.

Ninth Word

I had a message from Mary: “I love all those who love my Son. I would be proud to take them, as the mother of the groom, to the altar with the Father the Almighty, where my Son the groom will be waiting for you at the final wedding.” Also, the lady earlier was talking about the field of the harvest and I felt since the beginning of Holy Mass that this generation is a field for harvest, which is growing more and more now.

Tenth Word

Just to confirm what was said earlier, to be silent before the Lord, to be in Adoration more. And if we have difficulty with it, to ask Our Lady, she will help us. And I thought that, as the Lord was shining from her heart, she will shine. And I had her words “Do whatever He tells you” – she will guide us in the silence to hear his words through her.

Eleventh Word

I was struck by the whiteness around the host in the centre of the monstrance and I was reminded of Isaiah 1:18 “Come now, let us reason together – though your sins are like scarlet, they shall be as white as snow.” And I felt maybe the Lord was reminding us to give thanks for the gift of salvation, and how much we can take that for granted. And then the yellow light around it reminding us that it was the light of the Spirit illuminating the path for us to Jesus. I was reminded that we need to lean into the Spirit, to allow him to lead and guide us.

Twelfth Word

I was invited to write the bidding prayers for the Mass and last Tuesday I wrote: “In this Jubilee year of Hope I pray that we may shine as light in darkness to all those who live in a world without faith.” I’m just totally amazed that prayer is what people have been sharing today!

Thirteenth Word

The hymn “Let All that is Within Me Cry Holy” came to mind. Perhaps we can all check out this hymn and pray the words later today.

Fourteenth Word

I had an image of a precious pearl and Mary.

ADORE PROPHETIC SHARING ALL 2025

Fifteenth Word

This is a time of flux and sometimes we see some aspect of what could be, but when we need to share, it is to be with gentleness and love.

Sixteenth Word

Mark 15:20 "the soldiers make fun of Jesus" - encouragement for anyone who is being belittled. And also an encouragement to slow down a bit and be respectful/encouraging to a fellow Christian.

Seventeenth Word

Holy, Holy, Holy: focus on the Holiness of God.

Eighteenth Word

The devil is disruptive, but Our Lady is crushing his head.

- Someone with a regularly upset stomach.
- Someone very unhappy with life and wanting to end it.
- Someone struggling to read with failing eyesight.
- Someone feeling guilty about the way they are treating someone else.

ADORE PROPHETIC SHARING ALL 2025

ALTON DAY OF RENEWAL WORDS OF PROPHECY 26/7/2025

**We have discerned that the Words below marked with an asterisk are not strictly speaking prophecies, but are interesting observations.*

First Word

This I have to say - honour My power and might in the blessed Eucharist, for I am here present in all my majesty, though hidden from your eyes. Know the truth of it and let it unsettle you to seek My presence here, in it, regularly. It will do you much good.

Second Word

I sense the Lord saying: "I long for you to raise your eyes above all that is seeming to crowd in on you, and look beyond the clutter and confusion. Look to the horizon, to where I am calling you. Now is the time to step out in faith, even though the way ahead is not a clear path and the future seems uncertain. What is certain is that I am with you, and I will show you the way. As you open your heart to me, I will guide your feet. I am the way, the truth, and the life". I then sensed God saying, "Faith is not stagnant, it's a movement, a catalyst that propels us into the fullness of God's purposes for us."

Third Word

There was a sense of a sort of division, of a line in the Blessed Sacrament down the middle, and the words I got were, "Martha, you are distracted by so many things, only one thing is necessary. Mary has chosen the better part. There is no condemnation for those who are in me and with me. There is only one way, one narrow, straight path. Many are called, but few are chosen. I have chosen you to bear fruit, fruit that will last. Do not be afraid. Abide in me, and I will abide in you. My word is the signpost to the destination I am calling you to. I want my heartbeat to beat in unison with my children in the world."

Fourth Word

The Lord's been talking to me this week about the atmosphere of heaven... Where everything is heard, and every action is filtered through the lens of his love. And there's a verse of Scripture, Ecclesiastes 3.11 which tells us that God has made everything beautiful in His time, but has also set eternity within the human heart. So this means that we are children of the King of Heaven, we all carry heaven within our hearts. He showed me that there's a heavy and dark atmosphere growing in our world today. And I saw that many people walking with their heads bowed, struggling with difficulties of all times, loneliness and despair. And then I saw that as he stretched out his hand and touched them, they all raised their heads and their faces lit up.

And then he said, "My children. I'm calling you to bring a glimpse of heaven to everyone you meet, in every situation. I want you to walk in the atmosphere of heaven. For in these days it's my love that will triumph. Would you agree to ask me every day for opportunities to bring a little piece of heaven into the lives of those around you. When you do so, I will dress you in a garment of radiant love, so bright that Joy will touch our hearts." And then I saw that even a smile, a friendly wave, or a simple compliment lit people up as you touch them. It is his love that will triumph over this present darkness.

ADORE PROPHETIC SHARING ALL 2025

Fifth Word

Before the meeting started, I asked the Lord to give me a Bible reference, and he took me to John 14:26 which is, "The counsellor, the Holy Spirit whom the Father will send in my name will teach you all things. And will remind you of everything I have said to you." And then, during the adoration time, I asked the Lord what He wanted to say through this. And he said, "I have given you my Spirit to teach and remind you of everything I said, but... Are you asking him to teach you? Are you listening to him? And are you doing what I said? My spirit will not force you, you have to be willing to be taught and docile to my will."

Sixth Word*

The reflection in the glass of the monstrance said to me that adoration is a window into the heart of Father God.

Seventh Word

I felt God saying: "I just want you to be still in my presence and I will speak to your heart."

Eighth Word

"Come to me all who labour and are heavy burdened and I will give you rest."

Ninth Word*

The Blessed Sacrament appeared like a Precious Pearl. The priceless Pearl as in the Bible, the treasure in the field.

Tenth Word

The monstrance was very plain. but Jesus was telling me that simplicity is the key in this busy and complicated world. "Just stay focused on me, I am with you always and I am the Way the Truth and the Life."

Eleventh Word*

Jesus in the Eucharist is the enfleshment of the Divine, Jesus is both human and divine. This is such a privilege to have that belief, something that has been in my thoughts lately.
