PROPHETIC WORDS GIVEN AT ALTON DAY OF RENEWAL

Prophecy isn't primarily about telling the future. It's essentially giving us current insight into God's plan and His Word, calling us back to what's already been revealed in public revelation. The Catechism of the Catholic Church states that although "Revelation is complete, it has not been made completely explicit; it remains for Christian faith gradually to grasp its full significance". (CCC66) Prophecy encourages us and reminds us of the heart of Christianity: of God's love, His mercy and forgiveness through Jesus and His presence with us through the power of the Holy Spirit.

The following words were given at Alton Day of Renewal, and we believe they are from the Lord. But they will not all be relevant for everyone: you need to pray to the Holy Spirit for discernment about whether God is speaking to you personally about something. We hope you find them inspiring, encouraging, or comforting. Although we have prayed and discerned that they are in line with Scripture and the teaching of the Church, please bear in mind that "Private revelations.... do not belong to the deposit of faith. It is not their role to improve or complete Christ's definitive Revelation, but to help live more fully by it in a certain period of history." (CCC67)

****We have discerned that the Words below marked with an asterisk are not strictly speaking prophecies, but are interesting observations.***

ALTON DAY OF RENEWAL WORDS OF PROPHECY 30/8/2025

First Word

The Lord was saying to me, "I reach out to you, my children. I touch all your hearts to fill you with my peace. Never doubt that I am with you when you turn to me. Never doubt my presence in the Blessed Sacrament. I am with you always to the end of time."

And I felt this was for me, the second bit that I'm about to say, but I also think it's for somebody else who needs to hear it. "Lift your hands in praise, my daughter, for your praise is pleasing to me. Never be afraid to stand up and announce my presence to the world. I hold you in my hands. I mark your steps. I show you the path you should follow. Come, take my hand and walk with me through the narrow gate."

Second Word

"My children, I come before you today to heal your wounded hearts. Have mercy on those who have hurt you as I have mercy on you for all your misdemeanours. Trust Me and I will forgive you. Do thou likewise, forgive endlessly."

Third Word

I found I was joyful watching the Blessed Sacrament, I had the words of the Magnificat, Our Lady's Words, "He's come to the salvation of his people." And I sense, we need his salvation now and it's up to us, his faithful ones, to be ready to stand up and be his faithful people and to help that salvation to come about.

Fourth Word

I did actually go to adoration this morning at eight o'clock, and these were the words that I had, and I would like to share. I had an image of a heart that had become fortified because of past trauma. And I had the sense that the Lord wanted to gently shower this heart with the early rain, his grace, to soften the ground. And he's waiting, he's just waiting for permission. And I was aware of his look of tenderness in his waiting. He also wants to offer profound assurance that in a little while, he will send the latter rains to water the seeds that have been sown. And also that he already sees the fruit that will come forth from this wounded heart.

Fifth Word

It's about the gift of joy. And I think it also ties in with something said in the first two prophecies today. I had a picture of a huge bell pealing across the heavens, calling the people of God to awake from their slumber and gather in. The world is fragile, countries are reeling, and the mountains are trembling as mankind has turned its back on the God of love. But even as things grow darker and hatred and fear stalk the streets, I saw that many are turning to the heavens, seeking for answers to the meaning of life. The harvest is ripe and God is summoning his people to gather it in for the wedding of the lamb.

"My dear ones, do not be discouraged, now is the time to witness to my saving love and mercy. Have no fear, you belong to me, so what can man do to you? Ask my spirit to fill you with a supernatural joy, for men's hearts will be won over through the love and the joy they see in you." Then I saw, beside the huge bell pealing in the heavens, were thousands upon thousands of bell ropes. Each one was labelled with a name, your name.

"My dear ones, now is the time to witness to my saving love and mercy. When you agree to take your place and join in the music of heaven, don't worry about what you will say or how you will witness, for my spirit will help you. You'll be filled with a supernatural infectious joy that will open deaf ears to the music of heaven. And many will repent and accept my love and mercy and my invitation to the wedding of the Lamb."

Sixth Word

I had a picture of a compass and the Lord was reminding me to look to him for direction, not to my own human understanding. And the verse that came was from Proverbs 3: 5-6. "Trust in the Lord with all your heart. and do not lean on your own understanding."

Seventh Word

The Lord is saying to everyone, "Remain in me. Remain in me. Remain in me."

The Lord reminds me every day of a prophetic dream I had in 2008, when I was in the ocean, surrounded by water, and I was panicking because at the horizon there were tsunamis: one after the other tsunamis were coming and the Lord just appeared near me in the great expanse of water and he said "Remain in me." But now, since 2008 there have been terrible tsunamis in 2009, 2011, 2018. But the Lord is talking about the tsunamis that are coming into each of us in our own life. Tsunamis of every kind, physical, spiritual, mental, and the Lord repeats: "remain in me."

Eighth Word

As we were in the moment of adoration, I just felt the Lord saying “Let us continue opening our hearts for the overflow of the Holy Spirit and surrender completely to Him. And then I felt Him say we should bring the grandchildren to him. He is going to do so much through the grandchildren. So we continue surrendering the grandchildren to him because there's so much he wants to do with the grandchildren.

Ninth Word

The word I had seems to confirm several things that have been said already. I felt the Lord was saying, “Receive my forgiveness, receive my love, open yourself fully to the graces I'm constantly pouring out on you. You are my beloved. I gave everything out of love for you. Please do not doubt me. I would never lie. I am the truth. I am the way. I am your life.”

Tenth Word

“Let My love grow in your heart and pour it out over the world smothering evil, hatred, violence, transforming it back to the way I created it.”

Eleventh Word

“I love you; you are mine; I am guiding you along the right path.”

Twelfth Word

I also heard “I am with you always to the end of the earth.”

Thirteenth Word

“Lay your burdens down.”

Fourteenth Word

I saw the top of a giant waterfall, like the Niagara. Not all the water, just the breaking at the very top as it tumbles over.

Fifteenth Word

Jesus said, “Trust me with all your heart”

Sixteenth Word

“I do not take pleasure in the death of anyone but that you be converted and live.” (Ezekial 18:32)

Seventeenth Word

“I am moving all obstacles from you and setting you free.”
