

TESTIMONIES OF THANKS – ADORE SEPTEMBER 2025

I was able to come into God's presence, and hear His voice through the worship, mass, adoration, witness and the talk

Geoff's talk was very good and gave me some things to think about.

Very organized

All of it was beautiful

Mass is very important and so is Adoration. The prophecy is important as it helps others and also words of knowledge. Testimony is especially very good it helps others to take a step out of their comfort zone and share what God is doing in their lives.

It was nice to spend some time with the Lord and lovely people

When I listen to the Word of God, I feel very close to him. He speaks to me, through the Mass readings, encouraging me to keep going and that he has and will always be there for me.

I found the witness and testimony very helpful.

Geoff's talk was thought provoking. Encouraging positive attitudes during our daily lives.

Particularly enjoyed Geoff's down to earth talk

Very blessed and inspirational session

I loved the Mass and homily. Adoration I always receive some affirmation

Every part of the meeting is very meaningful. Be it the praise and worship, the talks, adoration, I love every part of it.

Everything was helpful and encouraging.

I had prayer ministry and I was in a lot of pain in my arthritic foot. The pain has gone. Thank you so much. I am so grateful. Thank you, Jesus.

The prayer ministry is a blessing. I believe in praying for others and God can use them as His instruments of healing, deliverance and encouragement.

Prayer ministry was really nice and I felt at peace.
