### PROPHETIC WORDS GIVEN AT ALTON DAY OF RENEWAL

*Prophecy isn't primarily about telling the future. It's essentially giving us current insight into God's plan and His Word, calling us back to what's already been revealed in public revelation. The Catechism of the Catholic Church states that although "Revelation is complete, it has not been made completely explicit; it remains for Christian faith gradually to grasp its full significance". (CCC66) Prophecy encourages us and reminds us of the heart of Christianity: of God's love, His mercy and forgiveness through Jesus and His presence with us through the power of the Holy Spirit.*

*The following words were given at Alton Day of Renewal, and we believe they are from the Lord. But they will not all be relevant for everyone: you need to pray to the Holy Spirit for discernment about whether God is speaking to you personally about something. We hope you find them inspiring, encouraging, or comforting. Although we have prayed and discerned that they are in line with Scripture and the teaching of the Church, please bear in mind that "Private revelations.... do not belong to the deposit of faith. It is not their role to improve or complete Christ's definitive Revelation, but to help live more fully by it in a certain period of history." (CCC67)*

***\*We have discerned that the Words below marked with an asterisk are not strictly speaking prophecies, but are interesting observations.***

### ALTON DAY OF RENEWAL WORDS OF PROPHECY 20/9/2025

#### First Word

"I must tell you something extraordinary - you have begun to worship Me in Spirit and in Truth. This is only the beginning of a wonderful relationship with Me. I will take you further, deeper into My Soul which is always available to you for worship and help along the way."

#### Second Word

I felt that Jesus was saying "It gladdens my heart when I hear you say you love me. My love for you is unconditional, eternal and inexhaustible; but a loving relationship is a two-way thing and I want to ask you a simple question, my children. How have you allowed me to love you? I see you struggle to overcome your difficulties but so often, when I stretch out my hand to help you, you continue to strive alone in your own strength. You say that you love me, but our relationship can only be as deep as you trust me and will allow me in. Beloved, I long for you to surrender your own understanding and to trust me completely. For you can only give to others out of the love you yourself have received from me."

He then led me to Ezekiel 47, where Ezekiel is asked to measure the water of life, flowing from underneath the temple. First it is only a trickle, then ankle deep, then up to his waist, until finally the river is so deep he cannot cross. How deeply are we surrendered to his love? How deeply have we allowed him to love us? Am I paddling in the shadows, or have I waded as far as my ankles or waist? Or have I surrendered completely, swimming in the depths and allowing the river of his love to carry me where it will?

### **Third Word**

I may only have a small voice, but he wants me to use it anyway. And that small voice can be in a lack of confidence, but also in who to speak it to. It may just be one person. But just spread to one person the love of God. The love that He has for you.

### **Fourth Word**

I was struck by the word “Fruitfulness” which Fr Gareth mentioned in his homily, and I felt the Lord was saying this: “I am the vine, you are the branches. Remain in me and my risen life and my blood will flow through your veins. Therefore you need not fear or feel inadequate, for it is my power and my spirit that will make you fruitful. I will give the increase to the seed you receive and nurture. I will make you abundantly fruitful.”

### **Fifth Word**

“Don’t give up. I am with you always, to the end of time.”

### **Sixth Word**

Going on the theme of water, what came to me was: imagine the grace of God pouring out. Imagine a plumber who has just come out of plumbing school and he’s confronted by the Niagara Falls and he says, “Oh I can fix it.” That is the amount of grace that God wants to give to the Church – an absolute waterfall of love. But the Church is saying, “Oh I can fix it, I can control it,” but we can’t. It’s just encouraging, the amount of grace God wants to give us.

### **Seventh Word**

I had a sense of proportion: tiny monstrosity and so many of us, but a need to be more prominent and a light of encouragement. Be brave.

### **Eighth Word**

I felt God say “the Victory will be mine.”
