

ADORE TESTIMONIES OF THANKS – NOVEMBER 2025

Everything lovely. The testimony was especially powerful

I found Hannah's talk so interesting and inspiring. I shared some of it with other parishioners today after Sunday Mass, and my parish priest, who was aware of Divine Renovation .

I found the books that were referred to and the update of what was happening elsewhere was encouraging.

Always uplifting and refocusing on my faith

It was interesting to hear Chiara's testimony and her journey. Hannah's talk was very refreshing and the work of church renovation and how this is happening in some parishes. It is much needed but Parish priests are overloaded and it is difficult to introduce something more. As Hannah said it may not be possible at present in many parishes. Perhaps parishes will get more comfortable having women speakers at Mass and ADoRE speakers but they already have many issues. I tried for years to get a Justice and Peace group without success.

Worship was wonderful, talk fantastic Judith excellent.

This month most of the prophecy was truly speaking to me. The talk was very uplifting and encouraging in truly looking at the parish I attend and our community.

Hannah's talk was very encouraging.

The worship and talk are always very helpful.

I found the talk very inspiring.

The singers were good - the best I have heard here. Hannah was an excellent speaker.

The prophecies touched me as they so often mentioned Christ as the Light and i am to lead a small group on Friday, part of our material being on this word. Also Christ giving us REST - I had asked Him for rest that morning and the whole weekend has provided it.

I found the praise and worship section to be uplifting and very beautiful. I am familiar with the House of the Open Door and Chiara's testimony reminded me of the continuing work and the time I had spent there having a special retreat there with some church friends many years ago now. I pray that Our Lord Jesus Christ will continue to bless Chiara and all the people at HOD in their continuing ministry. Amen

Familiar, fulfilling and Spiritual.

Beautiful testimony with hope. Excellent talk by Hannah, encouraging and inspirational. Teaching us ways to lead others to our faith, and how to help our Priests more, how to find new resources to read and share. I would like to watch the video again

ADORE TESTIMONIES OF THANKS – NOVEMBER 2025

Hannah's talk was amazing! Really cool to hear about what's happening, I learnt a lot, and felt encouraged

I used the prayer ministry a couple of months ago, as it had spoken to me. I found it so kind, caring and helpful. Even though I was the last one, I was not rushed and found the person so loving.

I always find that the prayer ministry is Spirit led and its amazingly good

Another prayerful and beautiful morning. Thank you

Brilliant talk. All talks are great but this one was call to action rather than faith development only.

I was interested to read in the Tablet 22/11/2025 'Rise in people joining the Church' by The Catholic bishops' of England and Wales. I hope Hannah sees this as it would be good to compare with the numbers she gave for France.

I just love joining Adore every month

Good clear presenter who worked well within the time frame.

I greatly enjoyed the talk and prayer offered by Hannah Vaughan-Spruce and learnt a considerable amount about how she is helping to bring about a greater awareness of the need for evangelistic change through the Power of the Holy Spirit . I felt challenged to want to do more to bring the good news to others as I believe it is our mission both within our own churches and outside them. I hope and pray that we may be able to listen and hear what God is asking of each one of us and to remember that we are not alone in this endeavour.

AMAZING TALK!!!! Thank you, Hannah. I am very inspired!
