

ADORE TESTIMONIES OF THANKS JANUARY 2026

Everything was so encouraging and uplifting! I was moved to tears in the mass, adoration, the beautiful music and especially Fr Chris's talk. EXTREMELY POWERFUL MORNING!!! Wonderful start to the new year..... thank you for this amazing retreat.

The praise and worship was very special today. So wonderful to be lost in God. The talk was brilliant confirming God's love for us and its power to transform us. A healing and calming experience.

Fr Chris's talk was excellent. It really gave me food for thought which I shall carry into the days ahead. I also noticed several references to trust (not only in the talk) which is relevant to me at present.

This Zoom Meeting was the most fulfilling I have ever attended. I appreciated the amazing testimony by Jean De Souza, and to know that her dear daughter is now 18. Praise God. Fr. Chris Thomas' Talk was so enlightening, if you weren't already aware of how much God loves us, warts and all (unconditional love), by the end of Fr. Chris's talk YOU DID. The talk was all the things that a talk should be: inspirational, uplifting, extremely touching and very deeply expressed. Fr. Chris was full of the Holy Spirit and gave of himself. Praise God! Thank you Fr. Chris. Thank you also Alastair for the wonderful hymns of praise session. You were in full voice.

A lovely, very inspiring and helpful morning! It was medicine for my soul. "I am worthy of being loved" is especially healing for me, my mother having told me several times when growing up "you were a mistake, you were not meant to be born" (never malicious at all, just factual).... I know that God loves me, and I have to keep reminding myself that I deserve to be loved, I am worthy of being loved, as much as anyone.... and that we are all meant to be born, regardless of what people think. We are all worthy of being loved. The talk was very special, and I will watch/listen to it again. Thank you for an amazing testimony, lovely talk, and a wholesome, hearty prayer and praise morning!

It was good to have this spiritual input and to hear the personal experiences which were very powerful. I liked having the praise songs and pictures on screen.

I wasn't able to get to the start of the meeting, but really wanted to hear Fr Chris. I did get there for part of the praise & worship. Fr Chris's talk didn't disappoint, it was so good. I'd like to persuade my prayer group to listen to it when it's up on YouTube.

I was delayed registering but heard Fr Chris' Talk. Very good, and interesting how after a difficult childhood he broke through the tough times and it prepared him for the amazing ministry with which he is now involved

I desperately needed to be reassured of God's unconditional love for me and this was coming at me from every angle. It was amazing and it made me cry. I couldn't believe it. Everything, the Homily, the Testimony, the talk and the prophecy, everything assured me of God' everlasting, unconditional love and that God, himself, is love. God is love!

Loved it all

I found both the testimony and talk very inspiring and helpful.

The Lord spoke to my heart through prophecy and again during the talk. God's love is the fuel that keeps me going even when people disappoint.

The Prophetic words and prophecy. The praise and worship and the faith and honesty of both speakers.

I enjoyed the Mass. I felt it was very prayerful and healing. The testimony by Jean was helpful and powerful about complete trust in God. I found the talk by Fr Chris was so, so powerful, uplifting and healing. I did not want it to end. I am still thinking about it. So grateful for it. He is amazing.

It was extremely well organised. Praise and worship was indeed a calming time to truly to connect with God and the talk at the end by Fr Chirs was truly inspiring.

Wonderful and moving testament and talk (both absolutely excellent).

It was a beautiful, uplifting morning and when a prophecy for healing for eyes was given I jumped at this.

I found this morning's session one of the best to date....I identified with Fr Chris's journey - very similar background to my own... I was moved to tears when Fr Chris finished with my favourite hymn that I mentioned after Adoration.

I feel I must thank Father Chris for his talk which was so very helpful as expect we all have areas which need healing due to childhood. I was in pain physically this morning but UPLIFTED and helped by the talk especially when he spoke of his own childhood. THANK YOU.

I enjoyed the peace and silence of Adoration. Also i always enjoy the praise and worship. Overall i found the whole morning very powerful and prayerful. Thank you.

I'm getting to appreciate prophecy and was amazed at Alastair's 'prediction insight'.

In the prayer ministry I felt and feel like something shifted and that I'm now being cleansed to receive from The Holy Spirit. There have been a lot of tears and singing!!

I have used the prayer ministry in the past and the person was so kind, compassionate, helpful, providing personal scriptures for me. Even though I was the last person I was not rushed to finish on time at all.

The prayer minister tuned in to what was needed and it feels it was just what was required. I'm very grateful

Excellent talk by Fr Chris

I was moved to tears during testimony and especially Fr's talk

I thought that the speaker, Fr Chris Thomas, was especially aimed at those souls who don't believe that God really loves them and that is very important. For those of us who are fortunate to have faith in God and His love for us, it was like revision; perhaps this is needed every now and then to remind us all.

Thank you so much family. Your voices are a blessing

I have been to many Renewal meetings conferences and Adore over the years but this has been the most powerful and meaningful of any. I intend to use it to spread the word to at least a few friends I know will value it as much as I have. Thank you everyone. Thankyou Holy Spirit

Thank you Alastair for organising this session. Fr Chris's talk was profoundly inspiring of how much God loves us. Thank you, everyone. God bless

Thank you Alister and everyone.

Thank you - very inspiring!

Thank you all so much. A beautiful morning filled with God's love. Beautiful and a much needed refreshing whilst listening to the amazing talk. God bless you all.

The talk from Fr Chris has brought me to tears of God's total love for me! Amen. Also many of his books are so inspiring as with real life stories. God bless you and thank for another wonderful morning giving me hope in my current difficulties.
