

## ADORE TESTIMONIES OF THANKS FEBRUARY 2026

The Praise and Worship was lovely, and the adoration too. The testimony was really good and very helpful to someone who has suffered with depression. The talk from Charles Whitehead was absolutely brilliant and so thought provoking and I loved the prayer he said and would like to have it, he was so good and I was really pleased I heard him. The hosting was lovely with Stephanie in fact it was all great and I am so glad I managed to do it. Well done to everyone.

I greatly enjoyed the praise and worship given by Eddie and Maria's testimony was interesting and was a clear example of how the Lord is present with us in times of need. I thought Charles Whitehead's talk was very inspiring. Charles mentioned how important it is that the Holy Spirit reveals Jesus to us as the son of God and that it is vital for us to be aware of Jesus presence in our lives and in the scriptures. The Holy Spirit continues to guide us and help us to Know Jesus in our hearts as well as in scripture. I found his talk to be very important in that he confirmed that we have to listen as well as ask the Lord and the spirit to help us to find the way and what God wants of us not only what we think we want.

What a lovely morning it has been, very spiritually enriching!

All the speakers were excellent.

Charles is always FAB

The combination of the whole programme brings such intimacy with God/Jesus. The time of Mass, silence, praise leads up to God in the world in testimony and then amazing teaching.... At the end I feel transformed in love

I always enjoy listening to Charles Whitehead. His observations are always practical and relevant.

I just want to thank you for the ministry of Adore and the Alton Day of Renewal. The monthly Zoom retreats are a great blessing and inspiration to me. I am so glad about this online format as I am joining from Germany. Each time I come away from the meetings feeling so encouraged in my faith and filled with renewed hope and joy in the Holy Spirit!

Stephanie hosting was very good, explaining things and chatty. Also Charles Whitehead's talk was very good. I found his talk about prayer and knowing Jesus and patience and acceptance helpful.

Well done Stephanie, you have a gift! Loved the worship Eddie. Charles, your talk was really special, thank you and may the Lord continue to bless you.

Charles talk inspiring

Wonderfully supportive reverent worship. Helped guide me.
