New – healing testimony

It truly was life-changing for me when Father Laurence and Pauline prayed for me. I had been suffering from a very debilitating depression with acute anxiety. This had been my experience every single day for about six months. When they prayed for me it was as though the Lord Jesus Himself was blanketing me in His Arms as I rested in the Spirit.

And that sense of His Presence has not left me. Since then I have not had one single second of either depression or anxiety! His deep and all encompassing Peace has enveloped and filled me from that moment to this. The glorious Light of His Love has lifted away all heaviness from me. Instead I am filled with overflowing Joy. I am happy and enjoying this wonderful gift of Life He has given us.

Please feel free to use this testimony. Thank you and may God bless you all richly.

“Yesterday was life-changing for me. It was wonderful - and a privilege - to be among you all. “

“It was both heart-warming and humbling to see the Alton Day of Renewal ongoing and thriving. I last came as a young teenager in the mid 1970s! Thank you all for making it possible. God bless you.”

“I enjoyed the day of reflection, its good to take time out every now and then and will certainly try to come along when I can. The musical accompaniment was a really nice part of the day. “

“The day of renewal was a real blessing to me, because I was amongst brothers and sisters of beautiful faith whose singing filled the chapel with praise and thanks-giving! How timely it was to be reminded of the importance of praying with expectation; living a life of fidelity (without being caught up with the concept of ‘success’ or ‘failure’) and expressing my faith as a layperson to people I come in contact with in the wider world.”

“It was such a pleasure meeting all the ‘team’. I had a really lovely, happy, enlightening day and truly look forward to coming again. My healing has helped a lot, thank you. Praise the Lord.”

“I liked the way the day has been organised, starting with the Rosary and then Mass followed by adoration before the conference in the afternoon. I felt this morning time was a good time of Preparation and Consecration before receiving the Teaching and Healing (afternoon). I felt that yesterday was a very powerful day with an outpouring of the Holy Spirit.”

“The day of Renewal is just wonderful, particularly for me, to be back to the place where it all began back in the 70’s.... such a gift! For me the day of Renewal is a Celebration, a time when I can worship freely in the Spirit, with love, joy, thanksgiving, a surrendering in love enveloped in the indescribable marvel of the Holy Spirit’s presence. The music is perfect, so inspiring and.... just right!”

“My fellow parishioners and I truly thought it was a good day and well worth coming”

"I really needed today and I feel so much better".
