OUR MISSION

To assist adults and families with becoming self-sufficient, employable, and able to move on to higher levels of education.

A logo with the text "WE" on the left, a yellow heart in the center, and "Volunteers" written in a large, bold, sans-serif font on the right, slanted upwards.

AMERICORPS: CAMPAIGNERS FOR LITERACY

Literacy Coalition South Central Arkansas (LCSCA) has been a proud AmeriCorps host site since 2009. In 2022, LCSCA was awarded its first AmeriCorps VISTA positions. These capacity builders came on board as fierce fighters for literacy and are on a crusade to reach deep inside the literacy community to move the needle forward on both adult and family literacy. AmeriCorps VISTAs at Literacy Coalition advocates, promotes, and coordinates programs and activities that encourages upward mobility of literacy skills. During AmeriCorps Week, March 10-16, 2024, Literacy Coalition highlighted appreciation for its AmeriCorps VISTAs and their service to literacy through social media postings at www.literacycoalitionsca.org.

DIGITAL LITERACY SKILLS ON THE RISE

Assisting learners on the computer is one of the one-to-one direct services provided through Literacy Coalition's RISE program; however, with the recent support from AT&T of the RISE Digital Literacy Mobile Lab, learners are actively engaging on a regular basis to gain needed basic computer skills. The RISE Digital Literacy Mobile Lab is offering free basic computer skills to adults in families and children up to the 8th grade within different communities in Union and Ouachita Counties. Participants of the two-week, 12-hour labs learn skills from computer lessons they can use at home, for school, at work, and in the community. After completing lab hours, participants have the option to continue learning computer components through the RISE Open Door Initiative.
