We have a large collection of music on CD to suit all tastes including rock and pop, easy listening, jazz, blues, country and classical albums.

The collection is open to all members of Barnsley Libraries who are 14 and above.

Fees are charged for the loan of DVDs and CDs. For full details of fees and also loan periods please see the list displayed in the Sound and Vision collection at your library or go to www.barnsley.gov.uk/libraries-fines-fees-and-charges. Some DVDs are restricted to certain age groups, for example they may carry a 15 or 18 certificate and therefore may not be issued to anyone under that age.

Requests on items in stock are free (with the exception of Premium Title DVDs). Items may be requested, borrowed and returned to any library.

The Sound and Vision Department of Barnsley Libraries holds a large and varied collection of DVDs and CDs.

DVDs

We have a great selection of feature films for all ages, from children's titles, classics and musicals to the latest blockbusters. We also hold an excellent selection of world cinema titles.

Other DVDs include TV programmes, opera and ballet performances, rock and pop concerts and DVDs relating to health and fitness.

A list of new additions to the collection is available every month.
